

PHONOLOGICAL AWARENESS SUMMER
PROGRAM

Dear parents/guardians:

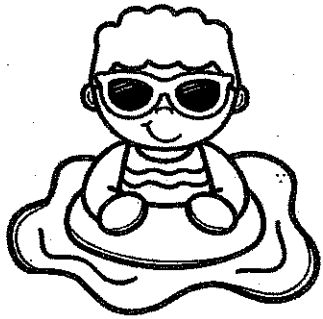

Phonological awareness is the ability to hear sounds that make up words and spoken language. Phonological awareness skills are critical for children as they learn to read and write. As summer approaches, I would like to encourage you to help your child maintain his or her phonological awareness skills, as they have worked very hard this year on building their skills. Attached you will find calendars of daily activities intended to promote phonological awareness. Please take a few minutes at least 3-4 times weekly to focus on the skills. The activities within the calendars are intended to be brief and enjoyable. I thank you in advance for supporting your child's progress.

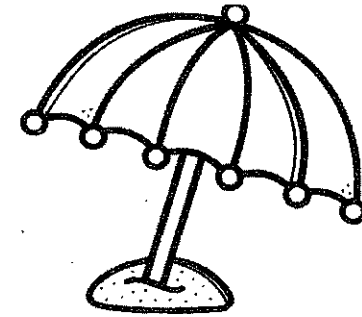

Most importantly, have a happy and safe summer ☺ Enjoy!!

Sincerely,

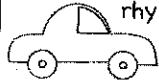

JUNE 2021
