

The student hours are from 8:40 a.m. until 3:10 p.m. Our students are welcome on campus at 8:00 am. Please do not drop your children off before 8:00 a.m. because there is no adult supervision at that time. Breakfast opens at 8:00 a.m., and students are released to the classrooms at 8:15. Students arriving after 8:30 are welcome to eat breakfast, but may receive a bagged breakfast and sent to class. Parents are welcome to eat breakfast and lunch with their children after checking in the office to receive a Raptor sticker. Please remember that students may not stay in the cafeteria with parents after their classes have been dismissed.

If a student is tardy, the parent must go to the Airphone located to the right of the main doors, ring the bell, state his/her name, show ID, and state the purpose of the visit and sign their child into school.
