September 2023

Dear Parents/Guardians:

Now that the 2023-2024 school year is rapidly approaching, I am writing to remind you to access the Parent Portal by visiting the District's website at [www.ccsdli.org](http://www.ccsdli.org) and clicking on the Parent Portal quick link. If you have already successfully logged onto the Parent Portal, changed your password and entered an email address, no further action is needed.

The Parent Portal is a valuable resource that will enable us to provide current information about your child's academic progress. It will also allow us to save money and help protect the environment by reducing the number of costly mailings sent home.

If you do not have access to a computer and are unable to receive electronic communications via the Internet, please request a paper copy by checking the box below and return it to the Guidance office. We will be happy to accommodate your request.

Thank you for all your efforts and continued support.

Sincerely,

Joseph C. Licato, Principal
