## **Introduction**

One of the primary goals of the Connetquot School District is:

**To prepare all students to succeed responsibly in post-secondary education and/or the workplace.**

To achieve its goal, the District is committed to ongoing efforts aimed at setting and maintaining high expectations for all students and building the capacity for all students to succeed. This is done within a systemic K-12 framework which acknowledges the academic, physical, and social development of pupils in distinct stages over time and the satisfaction of local, state, and national learning standards.

Of critical importance to the District's comprehensive effort is the role of its counseling and related services components for students, parents, and teachers. The explanation and coordination of these responsibilities K-5, are articulated in this School Counseling Plan. It is intended to assist educational stakeholders in assuring the academic and social success of all pupils.

## **Commissioner's Regulations 100.2**

**Guidance programs and comprehensive developmental school counseling/guidance programs.**

- 1. Guidance programs for public schools for school years prior to the 2019-2020 school year and for non-public schools.**

Public Schools. Each school district shall have a guidance program for all students.

(a) In grades K-6, the program shall be designed in coordination with the teaching staff to prepare students to participate effectively in their current and future educational programs, to help students who exhibit any attendance, academic, behavioral or adjustment problems, to educate students concerning avoidance of child sexual abuse, and to encourage parental involvement.

(b) In grades 7-12, the guidance program shall include the following activities or services:

(1) An annual review of each student's educational progress and career plans, with such reviews to be conducted with each student individually or with small groups by personnel certified or licensed as school counselors;

(2) Instruction at each grade level to help students learn about various careers and about career planning skills conducted by personnel certified or licensed as school counselors, or by classroom teachers in cooperation with school counselors;

(3) Other advisory and individual or group counseling assistance to enable students to benefit from the curriculum, to help students develop and implement postsecondary education and career plans, to help students who exhibit any attendance, academic, behavioral or adjustment problems and to encourage parental involvement, provided that advisory assistance shall be provided by teachers or counselors, or by certified teaching assistants under the supervision

of counselors or teachers, and that such individual or group counseling assistance shall be provided by certified or licensed school counselors or by certified or licensed school psychologists or certified or licensed school social workers in cooperation with school counselors; and

(4) The services of personnel certified or licensed as school counselors.

(c) Each school district shall develop a district plan which sets forth the manner in which the district shall comply with the requirements of this subdivision. The City School District of the City of New York shall submit a separate plan for each community school district, for the High School Division and for the Special Education Division. Such plan shall be filed in the district offices and shall be available for review by any individual. The plan shall present program objectives, which describe expectations of what students will learn from the program; activities to accomplish the objectives; specification of staff members and other resources assigned to accomplish the objectives; and provisions for the annual assessment of program results. The plan shall be reviewed annually by the school districts, and revisions shall be made as necessary.

**(ii) Nonpublic schools.**

Each nonpublic secondary school shall provide a guidance and counseling program for students in grades 7-12.

(2) Comprehensive developmental school counseling/guidance programs. Beginning with the 2019-2020 school year, each school district shall have a comprehensive developmental school counseling/guidance program, for all students in kindergarten through grade 12. Each school district shall also ensure that all students in grades kindergarten through twelve have access to a certified school counselor(s), which for the city school district of the City of New York and the city school district of the City of Buffalo shall include a licensed guidance counselor(s) pursuant to Part 80 of the Commissioner's regulations.

(i) For all grades kindergarten through twelve, district and building level comprehensive developmental school counseling/guidance programs shall prepare students to participate effectively in their current and future educational programs as age appropriate, and be designed to address multiple student competencies including career/college readiness standards, and academic and social/emotional development standards. The comprehensive developmental school counseling/guidance program ("program") shall include the following activities or services:

(a) In grades kindergarten through five, the program shall be designed by a certified school counselor in coordination with the teaching staff, and any appropriate pupil personnel service providers, for the purpose of preparing students to participate effectively in their current and future educational programs, to provide information related to college and careers, and to assist students who may exhibit challenges to academic success, including but not limited to attendance or behavioral concerns, and where appropriate make a referral to a properly licensed professional and/or certified pupil personnel service provider, as appropriate, for more targeted supports.

(b) For students in grades six through twelve, certified school counselors shall provide an annual individual progress review plan, which shall reflect each

student's educational progress and career plans. For a student with disability, the plan shall be consistent with the student's individualized education program;

(c) School counseling/guidance core curriculum instruction for the purpose of addressing student competencies related to career/college readiness, academic skills and social/emotional development by a certified school counselor(s);

(d) Other direct student services which may include, but need not be limited to, responsive services, crisis response, group counseling, individual counseling, appraisal, assessment and advisement, for the purpose of enabling students to benefit from the curriculum, assisting students to develop and implement postsecondary education and career plans, assisting students who exhibit attendance, academic, behavioral or adjustment concerns and encouraging parental involvement. Provided that nothing herein shall prohibit certified or licensed school psychologists or certified or licensed school social workers pursuant to Part 80 of the Commissioner's regulations from providing other direct student services within their applicable scope of practice;

(e) Indirect student services which may include but need not be limited to, referrals to appropriately licensed or certified individuals, consultation, collaboration, leadership, advocacy, and teaming.

(ii) Each school district shall develop district-wide and building-level comprehensive developmental school counseling/guidance plans which set forth the manner in which the district shall comply with the requirements of this subdivision. In the case of the City School District of the City of New York, the Department of Education shall submit separate plans for each community school district, for the High School Division and for the Special Education Division. Such district and building level plans shall be developed by or under the direction of certified school counselor(s) and be updated annually, available for review at the district offices and each school building, and made available on the district's website.

(a) Each plan shall be developed annually and shall include program objectives, activities, program development and maintenance planning, school counseling curriculum, professional development planning, evaluation methods based on data analysis of program results and closing the gap analysis reports to inform program improvement, and assessment of the resources necessary to support positive student outcomes.

(b) Each plan shall also include the preparation of a program outcomes report that includes an analysis of all systematic components of a comprehensive developmental school counseling/guidance program as defined by this subdivision. Such report shall be annually presented to the board of education, or in the case of the City School District of the City of New York, the Chancellor of the City School District of the City of New York, or to the extent provided by law, the board of education of the City School District of the City of New York.

(iii) Each school district shall establish a comprehensive developmental school counseling/guidance program advisory council to be comprised of representative stakeholders (such as parents, members of the board of education, school building and/or district leaders, community-based service providers, teachers, certified school counselors and other pupil personnel service providers in the district including school social workers and/or school psychologists). In the case of the City School District of the City of New York, the Department of Education shall establish a comprehensive developmental school counseling/guidance program advisory council for each community school district. The advisory council shall meet no less than twice a year for the purpose of reviewing the comprehensive developmental school counseling/guidance program plan and advising on the implementation of the school counseling/guidance program. The advisory council shall create and submit an annual report to the board of education, or in the case of the City School District of the City of New York, the Chancellor of the City School District of the City of New York, or to the extent provided by law, the board of education of the City School District of the City of New York.

(3) Nothing in this section shall be construed to authorize any individual to provide professional services where certification is required under Part 80 of the Commissioner's regulations or where licensure is required under Title VIII of the Education Law.

## **Counseling Department Mission Statement**

The mission of the Connetquot Counseling Department is to meet the individual needs of all students by providing them with support, information, resources, and guidance through a comprehensive developmental school counseling program. The services provided by the Connetquot school counselors empower students to develop the knowledge, skills, abilities and character needed to pursue their individual goals and become contributing members of our society.

## **Counseling Department Vision Statement**

It is the vision that students graduating from Connetquot High School will be college and career ready and will have the skills needed to maximize their academic success and social/emotional development. The comprehensive school counseling program supports students through a rigorous curriculum while providing a variety of opportunities for self-directed growth to become contributing and healthy members of a competitive global society.

## **Counseling Department Goals**

The Connetquot School District counseling personnel fully support the district's goal:

To prepare students to succeed responsibly in post-secondary education and/or the workplace.

To do so, the Counseling Department will seek to:

- Assure school success for all students as per the outcomes of all counseling efforts
- Provide timely and effective communication with students, parents, and teachers on all matters germane to its responsibility
- Continuously educate the students and community as to the expectations of the Connetquot School District's experience including graduation requirements, assessments, and the breadth of opportunities created by school programming
- Provide and support career and college education awareness and planning at all levels
- Coordinate counseling, consulting, and related services efforts of all support components within the School District

## Overview of Document Design

The following goals show the breadth and depth of the formalized Counseling Department activities and initiatives currently being practice in the school district. It is with these goals in mind, that guidance activities are created and initiated.

- To increase **COMMUNICATION** with parents
- To promote clearer understanding of **SCHOOL ENVIRONMENT**
- To promote understanding of **EDUCATIONAL REQUIREMENTS**
- To promote **SCHOOL SUCCESS SKILLS**
- To provide **CAREER/EDUCATION** awareness and planning
- To promote **SOCIAL/PERSONAL** development
- To increase **COMMUNITY INVOLVEMENT**
- To provide **COORDINATION OF SERVICES**
- To provide **CONSULTATION SERVICES**
- To provide **COUNSELING SERVICES**

Counseling services are an essential aspect of the educational experience for all children. It is through the counseling program and relationship with their counselor that students are helped to interpret and integrate the world in which they live.

## Counseling Department Accountability System

To achieve the best results for students, Connetquot school counselors will regularly evaluate their program to determine its effectiveness. Connetquot school counselors use accountability strategies to monitor student achievement and to evaluate and improve the school counseling program. The school counseling program components may be accessed through Data Analysis, Program Results, and Evaluation and Improvement.

**Data Analysis** – Counselors collect, analyze, and report data by specific subgroups and ensure that decisions about student instruction and learning are driven by achievement data for every subgroup. The use of data provides factual information that reinforces current practices and procedures used by school counselors and student support staff in planning and delivering learning support programs for all students.
