

# ***MAKERSPACE FAIR 2024***

## ***3-5 Packet***

# MAKERSPACE FAIR PROJECT PROCESS

Grades 3-5

Name/Partner's Name \_\_\_\_\_

What materials did you use to complete your project?

---

---

---

---

Describe the process you used to complete your Makerspace project. Use procedural words to describe what you did first, second, next, etc.

---

---

---

---

---

---

---

---

---

---

What is the function of your project?

---

---

---

---

What were the challenges you came across and what were the changes that you made?

---

---

---

---

If you collaborated with a partner, what role did each of you play?

---

---

---

---

---

Please include photos of your process.
