Immunization Requirements for Students Entering 6th Grade in 2023

June 2023

Dear Parent/Guardian,

New York State Law 2164 requires certain immunizations to enter 6th grade and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. Requirements are listed below.

Required Immunizations for 6th grade

Immunization	Number of Doses
TDAP	1 dose at age 11 years *Students entering the school year at age 10, must ensure they receive this immunization when they turn 11.
Varicella (chickenpox)	2 doses

Thank you for your attention to these immunization requirements. If you have any questions or concerns about immunizations, please contact the school health office.
