

Policy 1310

STAFF PARTICIPATION IN POLITICAL ACTIVITIES

Political Activities

The Board recognizes that employees of the East Quogue Union Free School District have the same fundamental civic responsibilities and privileges as other citizens. Among these are campaigning for an elective public office and holding an elective or appointed public office.

Any employee who is actively campaigning for an elective public office shall notify the Superintendent, in writing, of the office which he/she is seeking together with a decision as to whether he/she wishes to continue employment, if elected.

No employee shall use District facilities, equipment, or supplies, nor shall the employee use any time during the working day for campaign purposes.

Solicitations by Staff Personnel

Staff members shall not be engaged in advertising or commercial solicitations on school time, except as authorized by the Superintendent and/or designee.
