BUDGET WORK SESSIONS **2021-2022 School Year**

Dear Community Member,

As we approach budget season, we want to make you aware of important information regarding our process. In keeping with the format of the budget work sessions conducted last year, we will continue to combine the budget work sessions with upcoming monthly work sessions to allow community involvement in the ongoing budget development process for fiscal year 2021-2022. We believe this open communication will be extremely helpful as we work to develop our budget for the ensuing year.

Monthly work sessions will start at 6:00 pm and will be followed by the budget work sessions at 7:00 pm. The work session, if necessary, will continue after the budget work session.
