ADMINISTRATIVE REPORTS

The Superintendent has an obligation to keep the Board of Education informed about the progress and conditions of its schools. The Superintendent shall, on a regular basis, transmit to the Board reports concerning the operation of the schools. These reports shall contain such educational and financial information as, in his/her judgment, are pertinent and useful. In addition, the Board may require special reports from the Superintendent on specific issues and will make those requests known.

Adoption date: June 14, 2011
