Bond Facts & Stats

ELEMENTARY BOND PROJECTS

NEW SCHOOL

- Build **new 500-student elementary** on district-owned property near Mount Stuart Elementary.
- Seek continual **feedback** from the community on the **school's design** throughout the planning phase.

EXPANSION & RENOVATION

- **Add classroom, gym and cafeteria space** to Mount Stuart and Lincoln elementary schools, **increasing capacity** and restoring hallways and storage spaces to their normal uses
- **Eliminate** the use of **portable buildings**, regaining learning time lost during transitions and improving security

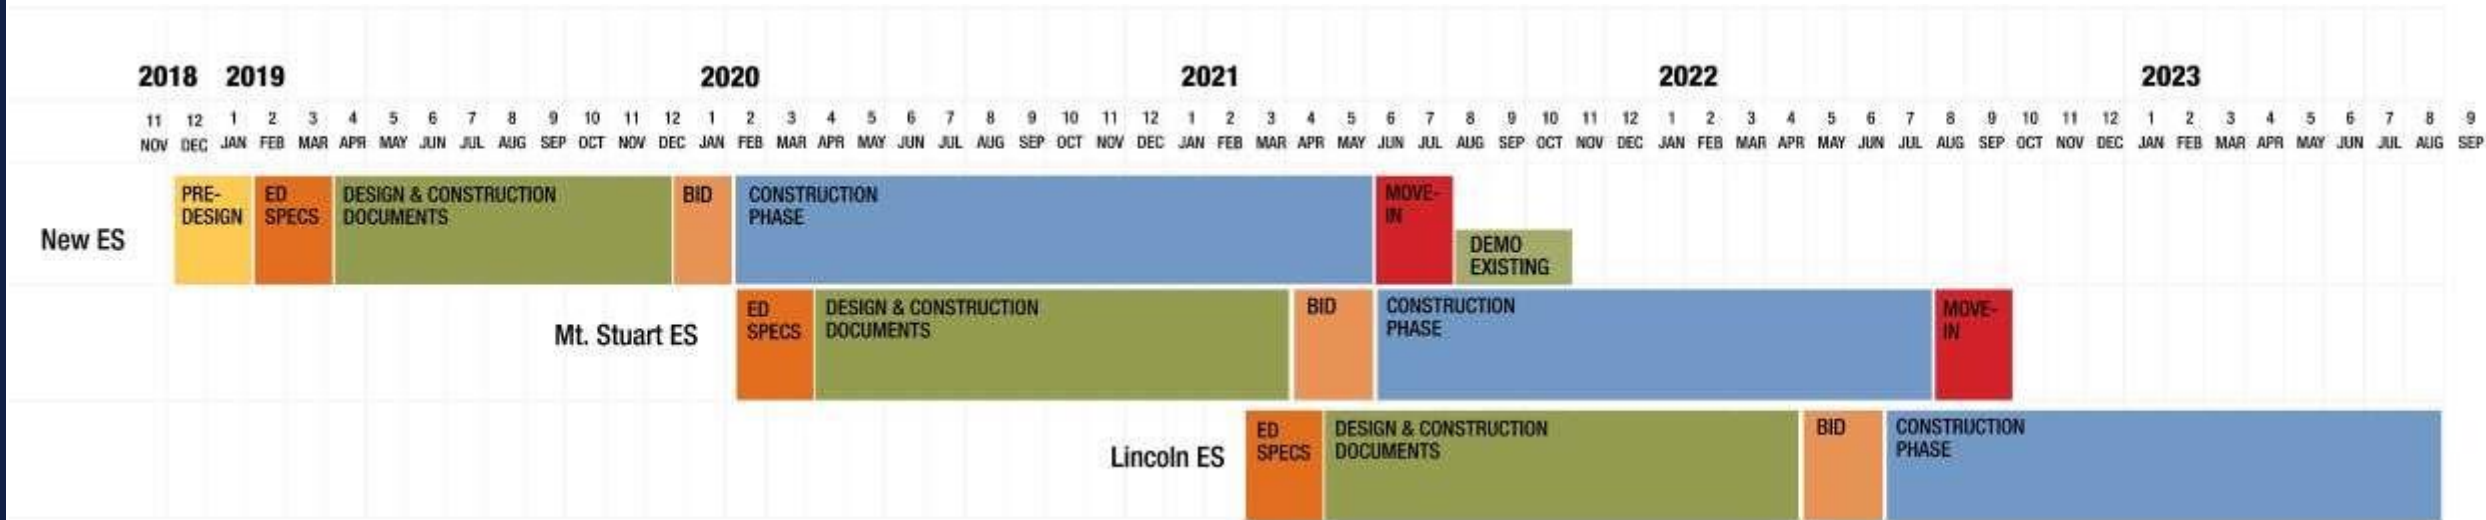

MAINTENANCE & SAFETY

- Address maintenance and safety concerns at Mount Stuart and Lincoln, including **parking** and **traffic** improvements, **secure entrances** and **HVAC** upgrades
- Make **seismic improvements** to bring Lincoln up to code
- Replace **leaking roof** at Mount Stuart

Renovations at Lincoln Elementary School	\$22,500,000
Renovations at Mount Stuart Elementary School	\$23,000,000
New Elementary School Construction	\$28,450,000
Potential State Assistance*	- \$14,450,000
Total Local Cost	\$59,500,000

*We are only eligible for this amount **this year**. Once Morgan Middle School is completed, we will lose out on roughly \$750k because of how the state calculates its assistance.
