**4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.**

The district will continue to work on improving communication about opportunities in English and Spanish to students. We will also work to communicate the changes in free ASB card opportunities so students are aware that the cost of the card is not a barrier to participation. In addition, the district will continue to investigate transportation options for students from extracurricular opportunities after regular school hours.
