

Current Junior Credit / Registration Information

It is time to plan for registration. A few things to consider when you register: **You will be auto scheduled through the Skyward system with the classes you request in registration.** Make sure you register for the correct SIX courses. You will be held to these choices.

Registration will be open through Skyward Family Access February 27th - March 5th.

There are certain requirements that each 12th grade student should take in order to stay on track for graduation. **It is your responsibility to make sure you are on track for graduation.** These requirements are as follows:

- 1 year English
- 1 year Civics / World Affairs or Civics / Sociology or AP Government or Intro to Politics
- 1 semester Consumer Family Issues (if not already completed)
- 3-4 Other required courses or electives - PE, Career & Technical Education (CTE), Art/Music, World Language, etc.

Be sure to register for failed or missed required courses. Your counselor will update your schedule accordingly if courses are missing. It is your responsibility to make sure that you are meeting all graduation requirements.

Keep in mind that in order to attend most four year colleges or universities, you will need to complete a “core” of classes by the time you graduate from high school. These classes mirror our high school graduation requirements with a few exceptions. These classes include:

College Core

4 years English
3 years Math (including Alg II)
2 years lab Science (including chemistry or physics)
3 years History/Social Studies
2 years World Language
1 year Fine or Performing Arts
