PARENTS: There will be a graduation ceremony on Thursday at 11:15 a.m. Lunch will be available for parents. (A small fee will be collected at the luncheon.) Students will be asked on Tuesday if you are attending so we can get a count.

So much to do, so little time!

At CAMP MORGAN, our time together will be spent doing fun activities to help you, the new "Morganite," to be a successfully functioning student before school even starts!

We hope to cover the following areas of what it's like to be a Morgan Middle School student:

- *Using the combination locks on your lockers
- *Knowing your way around Morgan
- *Exploring clubs and activities that might interest you
- *Learning about ASB—the Associated Student Body—THIS MEANS YOU!
- *Schedules and how to manage your time
- *Personal Safety and how to get the help you need when you need it!
- *Developing strong study skills and habits to support your success in your classes
- *Practice writing and reading skills
- *Forming new relationships with others
- *Getting to know some of Morgan's great teachers!

What is CAMP MORGAN?

Camp Morgan was developed to help students transition into Morgan Middle School and become successful students right away! No more waiting until students feel safe, secure and ready to learn. Students who attend the camp will be ready to begin the day school starts.

Why go to CAMP MORGAN?

As teachers, we see many students struggle with just learning the locker routine or how to make it to classes on time! This camp opens the doors to Morgan Middle School early for students to become familiar with their new school and reduce much of the stress of being a new student on the first day of school.

As students experience this "running start" to entering Morgan Middle School, they will be more equipped to concentrate on studies and spend less time worrying about where their classes are, how to get to class on time, or how to open their lockers.

An added benefit comes with potentially higher scores on the Washington Assessment on Student Learning because students will be able to concentrate and focus more on academic learning and less on the stresses of just being a middle school student.

CAMP MORGAN SUCCESS!

We asked the participants of previous camps the following question:

Would you recommend Camp Morgan to next year's 6th grade students?

"Very helpful—especially for new kids to get a chance to meet new friends. Thanks!"

"Yes, because it helps you get used to the idea of being in such a big building."

"Yes, I would recommend Camp Morgan. You get a BIG head start."

Parents' thoughts on previous camps:
"Simply coming early for a week and getting to know some staff has relaxed (my daughter) so much about the start of the new year!"

"Day 1—I walked in with her. She was clinging to my hand from the car to the school. She found some friends & joined them.
Day 2—Waited in the car until she saw some friends to walk into school with. Waved good-bye.
Day 3—Walked into school by herself. Waved good-bye.
Day 4—Got out of car & ran into school. Didn't even wave...mission accomplished."
