Heather Burfeind, Assistant Principal

September 9, 2016

Dear Fifth Grade Parents:

Your child has indicated an interest in serving as a Valley View Safety Patrol member this school year. Being an effective and safe patrol person requires a great deal of responsibility and dependability. At the same time, it allows a patrol member to feel good about providing a needed service here at our school.

Your signature on the bottom portion of this letter will enable your child to participate in this program. Morning patrol duty is from 8:15-8:35. Afternoon patrol duty is from 2:55-3:10. Students who ride the bus to and from school can still be on patrol. Once interested students have turned in this permission slip, a schedule will be created and shared. Students will serve one week at a time in a rotating week long cycle of three students. Your son/daughter will only be on the schedule five or six times (weeks) for the entire school year.

Please mark the appropriate statement below and return it to your child's classroom teacher.

We appreciate your son/daughter's leadership.

Thank you,

Heather Burfeind, Assistant Principal

Our child could serve on the Valley View Safety Patrol:

----- Morning only (8:15-8:35)

----- Afternoon only (2:55-3:10)

----- Either morning or afternoon

Child's name:----- Teacher:-----
