

Rough Rider

1952

*T*HIS year the Rough Rider varsity basketball team, like the Rough Riders of Theodore Roosevelt's era, ran roughshod over all opponents. They won the coveted basketball championship after an undefeated league season.

... *Dedication*

Therefore, to Coach Lloyd Ward and his team we dedicate this year's Rough Rider.

Preface

*I*T IS hoped that this annual records for each student the events of a happy school year. It is the wish of those producing the Rough Rider that this book will be a happy reminder of 1951-52. If this wish comes true, much of the credit should go to Miss Hughes, Ben Goffe, Tom Williams, and the Camera Club for the outstanding photography work they have done.
