STUDENT COUNCIL MEETS

Student Council meetings have started and are held twice a week every week in room A-5 at the first part of the lunch period. The meetings start out with signing in, then discussing and making decisions about many different issues. The biggest issue so far is open campus.

The 1969-70 Student Body Officers are Jack Straton, President, Dave Spencer, Vice-President, Kim Honstein, Secretary, Dave Carlson, Treasurer and Dan Seigel, Historian.

PARTY HELD

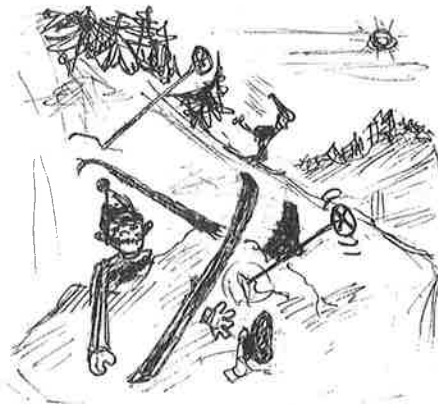

Friday Oct. 17, Mrs. Poppen's seventh and eighth period class held their wrap-up and Halloween party all in one. The party was a conclusion of the three week child care class, in which eighth and ninth grade students studied the behavior of children two to five years of age.

Fifteen children attended the party. Most of them were kids the students baby sat, or kids who live somewhere around the students in the class.

Most of the kids enjoyed the party, with the exception of a few who thought of more personal things such as missing mothers.

SKI CLUB MEETS

Roosevelt students Randy Rogers and David Gordon called the first Ski Club meeting around Oct. 1, in room A-5. It was then announced that the club would be riding with the South Eugene Ski Club on their reserved buses. The fee for the bus trip will be one-dollar, but your ski lift ticket will be one-dollar off. Over 60 Roosevelt students signed up for the ski club this winter.

STUDENT CENTER DISCUSSED

The possibility of a student center operated by the Student Body was discussed by the Student Council, at a recent meeting. A committee was appointed by RJH president Jack Straton because nothing much will be accomplished with so many people on one committee.

GAME ROOM OPENS

The teachers in the English department have started a game center in the faculty lunch room. It is held every period except 5th because its still used as a lunch room then.

The game center is not a room where you are free to play and goof off, but a place where players outwit each other with their skills off the English language. At the present time, players have the choice of five different games, Scrabble, Probe, Password, Anagrams and Crossword puzzles. Each game has different skills to use in play.

Volunteer mothers supervise the game center. There are 18 mothers who are scheduled to come on different days. The mothers are even willing to play the games if you ask them.

Seeing the words, "If and when we make an error or spell your name wrong, please accept our humble apologies and have a milkshake," brings out the competitive spirit in many Roosevelt students. Some found 11 errors.

The intent was if we make an error in your name, you could come and collect a coke. Not if we make an error anywhere else in the paper. Unfortunately a staff member changed "coke" to "milkshake" and made it sound as if any student could collect on any error. The wording has been changed in this issue.

WHAT TO DO?

What do you do during lunch? Do you get to the line first, or last? If you get there first, you get your food, sit down & eat. Then what do you do? 9 out of 10 times you'll end up in the hall, just standing around doing nothing. Wouldn't it be nice to just step into a room and watch television or play a game? Something like "a get-away room!"

Some students race around looking for rides to soccer games. Pep club members need a bus to go to games, even though they have one coming back. Lots of kids like to shout their voices away there. It's good for school morale. So, why can't we have a bus?

RETRACTION

The Rough Rider Staff retracts the policy stated in the last issue and the following policy is now in effect.

If we ever misspell your name in the Rough Rider, come to room B-8. Show us where it is; and we will give you a free coke of our own choosing.

GAME ROOM

The English game room was made for the people who wish to play word games. The title "game" does not mean run around & have fun, but a place where you go to sit quietly and play games that are fun as well as educational.

The people who made the English game center made it for the students who wish to play games. So if you go there with other ideas, they wish you wouldn't go there.

More than 4,000 people met at Mac Court for the Moratorium on October 15. They had speakers who talked about the many problems that accompany the war. After the people gathered outside to form a long line with five people wide, the long line covered three or four blocks. The people marched down the streets to reach the Court House. When they arrived there they had 5 minutes of silence, the speaker read off 60 names of men who have died in war. After that they began chanting, All we are saying is give peace a chance, and then sang- Blowing in the Wind, Where have all the flowers gone, and Last night I had the strangest dream. After this the crowd broke up, they met again where the teach-ins were being held. There were discussions about the war, they were all open to the public. They showed films and discussions about them. Then they discussed problems at the University. At 1:00 a delegation went to Salem and talked to Tom McCall, and Morse talked at 8:00. All of this accomplished a better understanding of the war.

THE PERFECT TEST

How long did the 6 year war last?

Which weighs more: a ton of lead, or a ton of feathers?

FEATURE TEACHERS

The long blond haired, blue-eyed P.E. teacher is Mrs. Nancy Smith.

Last summer was spent teaching swimming at E.S. T.C.

A few of her favorite hobbies are sleeping, skiing, both water and snow.

When she was asked, if she had two wishes, what would they be? She answered, "To be ten pounds lighter and to be on the Olympic team."

She says she'll stay as long as we want her.

A new teacher is teaching at Roosevelt this year. His name is Mr. Ferguson, one of the classes he teaches is Creative Writing. His eyes are blue and he has blond hair. A few of his hobbies are-- writing, making pottery, and snow skiing. Some of his favorite foods are-- enchiladas, artichokes, and avacodo's. He spent some time surfing, along the West coast. From here as far as Mexico. His summer job was teaching speech at South. He was asked to describe RJH in two words he said--"good school-wait I take that back- Great School!!!!"

Tell us:

Where does the Adzuki Bean grow?

What are Cayuse and where do they live?

What book does Barkis exist in?

Answer these correctly and come to B-8 (All of them)

He: "What would I have to give you for just one kiss?"

She: "Chloroform!"

MYSTERY TEACHER???

HOME EC. FUN

The happenings in the Home Economics Room on Friday, October 17, was the end of the course in child care.

The 15 children were from the area around Roosevelt. The class got many toys and made some.

Refreshments were served to the children and then games were played. There were toys and games such as "Follow the Leader" and games that were easy for the children to play.

Comments on how it turned out were made by:
SUSIE SUMMERS: "Blah. Not really, it was good."
TARA PLOGHOFT: "They were good kids, they sure helped with my excedrin headache number 255."
NANCY MITCHELL: "The average American kids are brats but these kids aren't."

In conclusion, they said they enjoyed themselves.

Dear Rosie,
I have a friend. She is stuck up and thinks she's something. She's always lying about her relatives saying they're movie stars and stuff. My friend and I don't like her anymore and she keeps bugging us. What could we do?

Signed me,
HAD ENOUGH

Dear HAD ENOUGH,
Maybe your friend is trying to impress you. Tell her you don't need to be impressed. If this isn't the case, tell her you no longer want a liar for a friend. But be sure that you are sure of your information.

Dear Rosie,
I have a friend who draws constantly. Everything she sees she draws. She also dribbles. What can I do? How can I tell her?

Signed,
Drenched

Dear Drenched,
Have you ever thought that your friend might have a case of droolities? Your case is simliar to the other one. Tell your friend that her drawing does not impress you at all.

Time Out By John Henderson

The new P.E. program has caused a lot of conversation around the school this year. Last year we had one period every day and didn't have a choice of activities. Some you liked, and some you didn't. This year we have a choice of activities for each nine weeks, periods every other day.

The Rough Rider sports staff collected opinions from 40 students to see if they like this year's two-period block program better than last year's. These are the results:

<u>Yes</u>	<u>No</u>	<u>Pct</u>
36	4	90%

It looks like the program is a success

Glen Roby, 9th grade soccer coach, has put up an award as an incentive to get some victories this season. For every point the team makes he promises to buy them a pizza.

So far, they have four points, not including the last game against the Madison Monarchs who are also winless. The lowly Monarchs gave up 14 points against Spencer Butte who beat the Riders by only 4-2.

With big eaters like Bill Lasseter and Steve Morse on the team, they'll need quite a tally to keep them from leaving the table hungry.

SOUTH MAULS SHELDON

Kirk Enbysk ran for two touchdowns and caught a pass for another as the South Frosh whipped Sheldon 28-8, at South Oct. 9.

The Axemen scored the first time they got their hands on the ball. On the second play from scrimmage Tim Kane rambled for 67 yards to the Irish 3. Jeff Nutting then bulled over for the score.

The Axemen regained control of the ball by an interception. South ground out the yardage to the Sheldon 2. After a touchdown nullified by a penalty, Enbysk caught a Terri Frei pass for the score.

Sheldon scored quickly after the kickoff as the left end caught a 54 yard bomb for the Irish score.

South also scored quickly. On second down on their own 33, Enbysk scrambled 67 yards for the tally. At half South led 20-8.

An exchange of punts put the ball on the Irish 25, where South recovered a Sheldon fumble. Enbysk hit paydirt again on the next play as he ran the distance for the final score.

SOUTH BLANKS HAPLESS LANCERS

Jeff Nutting ran for two touchdowns and a conversion as the Axeman freshmen rambled to a 24-0 victory over Churchill at South Sept. 26.

In the first quarter the Axemen jumped to a quick 16-0 lead in five plays. On the third play, Nutting broke the Lancer defense, ran over the safety, and galloped for a 55-yard touchdown.

South forced Churchill to punt and took the ball on their own 25-yard line. Kirk Enbysk then ran for 75-yards to raise the score to 16-0.

Neither team scored until the fourth quarter when Greg Hoagland recovered his second fumble of the day to set up the final Axeman touchdown.

The Axeman grounded out the yardage to the Lancer eight yard line. Jeff Nutting then took the ball and ran eight yards for the final touchdown of the game.

AXEMEN FROSH CRUSH LANCERS

Kirk Enbysk's 40 yard plus returns with a punt and interception, high lighted a 32-0 stomping of the winless Churchill Lancers at Churchill, Oct. 17.

After a scoreless first quarter there were questions of an upset. But South finally did get off the ground though as Enbysk returned a punt around right end 42 yards to the Lancer 18. Tim Kane then ran for a first down to the four, where Jeff Nutting trampled over for the score.

A Churchill mistake led to another Axemen touchdown. Enbysk intercepted a pass at the South 39 and returned it to the Lancer 13. He then ran for the touchdown on the next play. At half South led 16-0.

Churchill, still trying to get their offense generated, let the Axemen score again as Ron Osibov bulled over from three yards out.

The shutout was almost ruined in the fourth quarter, when Churchill recovered a fumble at the South nine. A pass interference call put the ball on the one. The defense held twice on running play when they decided to go to the air. Kane intercepted in the end zone.

The Axemen hit paydirt once more as they drove 80 yards in 8 plays as Terry Frei threw an eight yard scoring toss to Rodney Ham.

TEAM - 1, Jefferson. 2, Kelly. 3, Kennedy. 4, ROOS EVELT. 5, Madison. 6, Monroe. 7, Spencer Butte. 8, Cal Young.

Jamey Roberts scored all three points to end Roosevelt's seven game losing streak as they stomped the Monroe Mustange, 3-0, at Roosevelt October 9th.

In the first quarter, there was an exchange of words between the coaches and refs when Monroe was awarded a penalty kick by a harrasement call. But

RIDERS, MUSTANGS BATTLE TO 0-0 TIE

The Roosevelt Roughriders ninth grade soccer team and the Monroe Mustangs battled to a 0-0 tie Oct. 9, at Roosevelt.

In the first quarter the Mustangs attempted to score as they brought the ball within two yards of the goal, but they were stopped when Steve Morse made three excellent saves allowing Bill Lassetter to kick the ball downfield.

The Riders attempted to score in the first quarter when Ed Plum dribbled the ball downfield past several Mustangs, but they couldn't score as the ball was forced out of bounds.

Monroe controlled the ball most of the time during the rest of the game, but they never really had the ball close enough to score.

RIDERS END STREAK, STOMP MUSTANGS

it went to no avail as goalie Bob Rankin made a beautiful save.

After taking a third quarter pass from Mike Plum, Jay Thatcher dribbled downfield and kicked a perfect strike to Roberts who boited it in.

Later a Mustang was called for pushing, so Roberts kicked the penalty kick to ice the victory.
