PEOPLE MAKE THE SCHOOL

This past school year has been a year of many changes and exciting events. We switched from quarters to trimesters. We had a balloon launch and canned food drive. Mandy Miller left after the 1st trimester to have her baby, Emily. We had three activity nights and the parents put on a spaghetti feed. We started our newspaper the 2nd trimester.

It was a busy year, full of activities and friends, full of classes and teachers, and full of fun and laughter.
