### FROM THE PRINCIPAL

Dear Parents and Community Members,

4J elementary schools provide an excellent, well-rounded education in a welcoming and caring environment where every child is valued and motivated to learn. Our teachers know their students—their individual strengths, challenges and passions—and strive to spark a love of learning in every child.

Our ongoing efforts to help all students succeed include:

- Implementing the Common Core State Standards, which will better prepare students for later learning and careers
- Supporting students' social development and fostering a caring school community with the Caring For Kids program

 Monitoring each student's learning progress so teachers know where to provide extra challenges or additional help.

Thank you for being engaged in your child's education. All students benefit from active attention and support at home. Some ways you can help are reading with your child at home, providing encouragement and a quiet study space for homework, communicating with your child's teacher, attending parent-teacher conferences and, if you're able, volunteering at the school.

We look forward to partnering with you to help your student have a great year.

Thank you,

Principal | Eric Anderson

#### **OVERALL STATE RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2013-14, this school is rated as Level 4.

Level 1 = Falls into the bottom 5% of schools

Level 2 = Falls between 5% and 15% of schools

Level 3 = Falls between 15% and 44% of schools

Level 4 = Falls between 44% and 90% of schools

Level 5 = Falls into the top 10% of schools

Compared to elementary schools with similar student demographics in 2013-14, this school's rating is below average.

**Below average** = Falls into the bottom third of comparison schools

About average = Falls into the middle third of comparison schools

**Above average** = Falls into the top third of comparison schools
