

FROM THE PRINCIPAL

Dear Parents and Community Members,

4J elementary schools provide an excellent, well-rounded education in a welcoming and caring environment where every child is valued and motivated to learn. Our teachers know their students—their individual strengths, challenges and passions—and strive to spark a love of learning in every child.

Our ongoing efforts to help all students succeed include:

- Implementing the Common Core State Standards, which will better prepare students for later learning and careers
- Supporting students' social development and fostering a caring school community with the Caring For Kids program

- Monitoring each student's learning progress so teachers know where to provide extra challenges or additional help.

Thank you for being engaged in your child's education. All students benefit from active attention and support at home. Some ways you can help are reading with your child at home, providing encouragement and a quiet study space for homework, communicating with your child's teacher, attending parent-teacher conferences and, if you're able, volunteering at the school.

We look forward to partnering with you to help your student have a great year.

Thank you,

Principal | Larry Williams
