Sirs:

Quotes were due for the subject project on July 10, 2015 at 11:00 am. Two of the four firms attending the mandatory pre-quote meeting submitted quotes.

Both quotes had to be rejected as non-responsive as both did not satisfy the requirements of Section 00 21 13 Paragraph 1.3 in the Request for Quotation. Northwest Wall Systems did not provide the Non-Discrimination Certificate and the Non-Collusion Affidavit that were provided with the Bid Form, and Western Partitions did not sign and notarize the Non-Collusion Affidavit. All of the referenced forms are included as part of the Quotation Form, Section 00 30 00, pages 3 and 4, and are required to be fully executed and submitted with the quote.

Quote results were inadvertently disclosed to one of the firms, thus all should be informed.

Western Partitions: \$35,000.00  
Northwest Wall Systems: \$14,382.00

The Project will be re-issued with Quotes due next Tuesday, July 14, 2015 at 2:00 pm.
