STATEMENT OF WORK**

A. DESCRIPTION OF PROJECT

The purpose of this ISD is to obtain quotations from vendors for the purchase of Network Firewall equipment for Lane County School District 4J. This solicitation is part of the District's e-rate process and the successful Vendor must be a registered service provider with the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) and must have a valid Service Provider Identification Number (SPIN). Vendors that wish to submit a quotation and do not have a valid SPIN number, may apply for and receive the number prior to award of quotation. Acceptance of a contract will constitute agreement by vendor to meet all vendor requirements for the District to successfully process and receive the appropriate e-rate reimbursement.

1. The District item descriptions and proposed quantities sought are listed on PART III. QUOTATION FORM. These are projected quantities and in no way commit the District to the purchase of any amount whatsoever.

The District intends that vendors will furnish complete information for the Quotation. If any omitted specification results in ambiguity as to material characteristics of the goods, and inclusion is necessary to enable a reasonable person in the particular industry to properly identify such characteristics and respond with a complete Quotation then the vendor shall seek written request for clarification or change. Failure to make such a request is at the vendor's risk, and the vendor shall be required to provide goods meeting the District's needs with regard to any omitted specification for which a clarification or change should reasonably have been sought.
