**ADDENDUM NO. 1**  
**To**  
**ISD 16-230**  
**10 Gig Aggregation Ethernet Switch Equipment**

---

The following item is being issued to the above referenced ISD 16-230. All other specifications, requirements, terms and conditions of this ISD shall remain unchanged.

**1. Clarification of Scope and Specification:**

The District currently has the Cisco 6500 chassis installed at multiple locations. The 10 Gig Aggregation requested in the quote can be accomplished by submitting quotations on replacement of current equipment or modification of the current Cisco 6500 chassis.

To better assist vendors with these options, a clarification in the description of the Cisco Catalyst 6500; equal or better has been listed in the attached Revised Part III. Quotation Form. Submissions of Quotations should be made using the Revised form.

**PLEASE ACKNOWLEDGE THE RECEIPT OF THIS ADDENDUM NO. 1  
IN THE COVER LETTER OF YOUR PROPOSAL.**

**REVISED  
PART III.  
QUOTATION FORM**

Manufacturer's names and/or brand names used in these specifications are for the purpose of identification and a basis for quality, and do not expressly or implicitly require or in any way limit what brands may be quoted. The District's decision of 'equal' acceptability is final.
