

School Supplies at Twin Oaks for 2016 - 2017

Instead of buying school supplies next year, there will be a fee that covers all supplies for the year.

Fee for Kindergarten, 1st and 2nd	\$25
Fee for 3rd, 4th and 5th	\$35

The only thing you need to purchase for your child is a backpack, water bottle and lunch box (if needed).

We think this will work well, and be less expensive for you. Of course if you are unable to pay, we have supply scholarships available.

Thanks!
