\*You have the option to waive dental coverage and thereby reduce your out-of-pocket insurance cost. **You may only waive dental coverage during annual enrollment or upon initial eligibility, and you will not be able to re-enroll in dental coverage for the remainder of the plan year** unless you lose eligibility for other group dental coverage and provide proof of the loss within 31 days.

\* Members and/or their qualified dependents who do not enroll in a dental plan when initially eligible and elect to enroll during a future open enrollment will be subject to "waiting period" restrictions - meaning, for the first 12 months, the dental coverage will only allow preventative services and no orthodontia. The 12-month waiting period does not apply for members who enroll in OEBB dental coverage due to loss of other OEBB coverage.
