

FROM THE PRINCIPAL

Dear Parents and Community Members,

4J elementary schools provide an excellent, well-rounded education in a welcoming and caring environment where every child is valued and motivated to learn. Our teachers know their students—their individual strengths, challenges and passions—and strive to spark a love of learning in every child.

Our ongoing efforts to help all students succeed include:

- Implementing the Common Core State Standards, which will better prepare students for later learning and careers
- Supporting students' social development and fostering a caring school community with the Caring For Kids program

- Monitoring each student's learning progress so teachers know where to provide extra challenges or additional help
- Helping students to develop a love of learning, a growth mindset and a spirit of perseverance.

Thank you for being engaged in your child's education. All students benefit from active attention and support at home. Some ways you can help are reading with your child at home, providing encouragement and a quiet study space for homework, communicating with your child's teacher, attending parent-teacher conferences and, if you're able, volunteering at the school.

We look forward to partnering with you to help your student have a great year.

Thank you,

Principal | Kevin Gordon

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
