BID TITLE: SEHS Women's Locker Room Remodel 2018

ADDENDA #: 2

Responses to questions from Contractors

- 1. Have the project documents been submitted for plan review and approved for construction?**
Response: The documents have been submitted to the City for plan review. They are currently being reviewed.
- 2. Is the contractor responsible for the building permit and related fees?**
Response: 4J is responsible for the building permit & fees. (All trade permits & associated fees are the responsibility of the respective subcontractors.)
- 3. Are restrooms available onsite for the contractor to use or shall the contractor provide portable restrooms?**
Response: See Addendum #1. (Location to be determined.)
- 4. Is there space on school campus for a dumpster and container to be placed near the site?**
Response: Yes, there will be space for a contractor dumpster & container to be located near the back (closest) entrance to the project site. (Exact location to be determined.)
- 5. Drawing A3.1 Key Note #1 calls for an ice machine, is this an owner provided fixture or contractor furnished?**
Response: The ice machine shown shall be furnished by the Contractor. Provide the following: *Hoshizaki, Model KM-201BAH 24" Air Cooled Undercounter Crescent Cube Ice Machine, 201 lb. (115volt) – or equal. (Manitowoc is an acceptable mfr.)* (Include filter.)
- 6. Drawing A3.1 Key Note #11 calls for a flat screen TV, is this an owner provided fixture or contractor furnished?**
Response: See Addendum #1.
- 7. What is the tentative start date and substantial completion date?**
Response: See Spec Section 01 11 00 for start date & Addendum #1 for new Substantial Completion date.

(End of Addendum #2)
