What are your thoughts about the Yujin Gakuen and Kelly schedules?

Yujin Gakuen and Kelly students will start and end their day at different times.

Middle school hours are 9:00 a.m.–3:35 p.m. with 2:35 p.m. early release on Friday. Elementary schools have two possible schedules. Yujin Gakuen's current school hours are 8:30 a.m.–3:00 p.m. with 1:45 p.m. early release on Friday. The other elementary school schedule option is 7:55 a.m.–2:25 p.m., 1:10 p.m. on Friday.

With the current schedules, YG students will start and end their school day half an hour before Kelly student times. There may be some overlap of early-arriving middle school students in the building before YG students are in class.

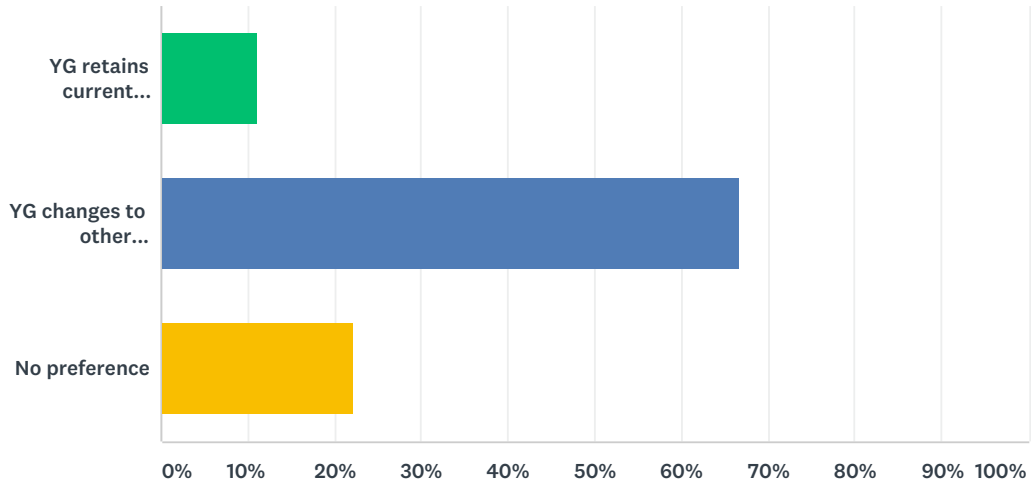

If YG were on the earlier 4J elementary school schedule, starting at 7:55 and releasing at 2:25, there would be more than an hour between YG and Kelly start and end times.
