Re: Silver Lea Elementary School Asbestos Abatement Project 2020
CIP No. 460.640.001

Dear Rosa,

Congratulations! This letter is to inform you that it is our intent to award the Silver Lea Elementary School Asbestos Abatement Project 2020 to your firm based on the Alternate Project Schedule #1 Bid of \$269,583.00.

The period for protest of award is 72 hours and runs through Friday, January 31, 2020 at 2:00 p.m. If the District does not receive any written protest prior to this time, we will issue a formal notice of award contingent upon Eugene 4J Board approval for funding of the project at the school board meeting held February 19, 2020.

Your firm will need to furnish Diana McElhinney (541-790-7417) at our office with the required bonds and insurance certificates as required by the Project Manual prior to issuance of the contract and notice to proceed.

In addition, please complete the included Contractor Qualification and Responsibility Check List and return by email to mcelhinney_d@4j.lane.edu.

We are looking forward to working with you, and we would like to take this opportunity to thank you for your participation.

Sincerely,

Doug Lemonds
Asbestos Project Manager
