Medical Plans

MODA Health

About Moda Health:

All Moda plans will utilize Moda's statewide Connexus provider network.

4J offers 2 Moda Health medical plans for all eligible MAPS 4J employees/retirees and their eligible dependents. Most medical facilities in Lane County accept Moda insurance, but some are not in-network; always verify with your provider before the time of service. The 4J Wellness Clinic is an in-network provider.

Benefits:

Each plan will come with a coordinated-care option and a non-coordinated care option. Choosing coordinated care means you'll receive enhanced benefits, like a lower deductible, a lower out-of-pocket maximum, and lower costs for office visits, specialist visits, and alternative care visits. Moda does have coverage out-of-network, but your benefit will be subject to all out-of-network conditions. For complete information of coverage, see the specific plan handbooks and summaries.

- If you and/or your family members choose coordinated care, you must choose a primary care provider or "PCP 360" who will be accountable for your health. Each covered family member can choose if they want coordinated care, and if so, their own PCP 360.
- Employees can choose their PCP 360 in one of two ways:
 - Online – log into MyModa
 - Call Moda Customer Service: 866-923-0409
- Moda members who already have a PCP 360 selected only need to contact Moda if they want to update their PCP 360 selection. Otherwise, their PCP 360 selection will carry forward.
- Employees who choose their PCP 360 at any other point during the year will begin receiving the coordinated care enhanced benefit the first of the month of the date they choose their PCP 360 with Moda.
- Moda medical plans will introduce Moda 360. This service includes a health navigator offering personalized support for chronic conditions, coordination with the member's PCP 360 and telemedicine expansion.
- eviCore is changing under the Moda medical plans:
 - Members will have an increased initial approval of PT/OT/ST therapies to 12 visits for a 90-day period
 - An annual alternative care 12-visit limit in lieu of prior authorization

Plans:

All Moda plans will use the Connexus Network of providers. See plan handbook and summary for details.

Moda Medical Plan 3: \$1,200 coordinated care/\$1,300 non-coordinated care individual deductible; \$25 co-pay for coordinated care primary care office visit; \$25 co-pay for mental health in-network office visits; do not need referral for specialists.

Moda Medical Plan 4: \$1,600 coordinated care/\$1,700 non-coordinated care individual deductible;

\$25 co-pay for coordinated care primary care office visit; \$25 co-pay for mental health in-network office visits; do not need referral for specialists.

Pharmacy:

Prescription coverage is included in all Moda health plans. See plan handbook and summary for additional detail.

Select Generic Prescription Coverage: \$12 per 31-day supply; \$24 per 90-day supply mail-order

Virtual Visits: In collaboration with Oregon Health Sciences University, Moda offers virtual visits where members are able to connect with an OHSU healthcare professional via computer or mobile device without having to leave their home.

The new clinic site will offer members a nurse treatment area, new imaging and pharmacy services, and additional on-site lab services.

Plan 2 HMO: \$800 individual/\$2,400 family deductible; \$25 co-pay for primary care visits within Kaiser Network; \$25 alternative care office visit co-pay; \$35 co-pay for specialist visits; **no out-of-network coverage.**

Kaiser Permanente contracts with five pharmacies and will be increased to seven pharmacies in January 2021 in Eugene and Springfield and offers mail-order pharmacy service for new and refilled prescriptions. Pharmacy coverage is included in medical cost. For a complete list of participating pharmacies, see the list below. For additional information see plan handbook and summary.

Plan 2 HMO: \$5 generic 30-day; \$10 generic 90-day mail-order

Dental Plans

You **must** be enrolled in a Medical/Vision plan in order to select a Dental plan.

If you cover qualified dependents and/or spouse/domestic partner, you ALL must enroll in the same Dental Plan. You must elect the same Coverage Tier Category for Medical, Vision, and Dental plans, i.e. employee only, employee plus spouse/domestic partner, employee plus children, employee plus family.

All benefit eligible employees may select from following Dental Plans, or choose to waive dental coverage:

- **Delta Dental Premier Plan 5 • Includes Orthodontia • Incentivized Plan - \$1,700/member Benefit Maximum**
 - Under this incentive plan, benefits start at 70% for your first plan year of coverage. Thereafter, benefit payments increase by 10% each plan year (up to a maximum benefit of 100%) provided the individual has visited the dentist at least once during the previous plan year. Failure to do so will cause a 10% reduction in benefit payment the following plan year, although payment will never fall below 70%.
 - *For the 2020-21 plan year, because members may have had difficulty seeing their dentist during the stay-at-home order, Delta Dental will maintain current incentive levels for members on incentive plans if they did not visit their dentist in the 2019-20 plan year. Members who did visit their dentist will still receive their benefit increase as scheduled.*
 - You may choose your dentist from the Delta Dental Premier Plan network. Network dentists have agreed to provide services at contracted rates. There are no annual deductibles for Preventive and Diagnostic Services.
 - Non-Delta Dental Premier Plan dentists are not required to provide services at contracted rates. The plan pays out-of-network providers based on the maximum plan allowance. You may be required to file your claim and you may be charged for amounts that exceed the maximum plan allowance.
 - You can access the Moda Health website at:
<https://www.modahealth.com/ProviderSearch/faces/webpages/search.xhtml> to search for a Delta

Dental Premier Plan dentist under “Find a doctor, dentist, pharmacy or clinic”.

- **Delta Dental Premier Plan 6 • NO Orthodontia • Non-incentivized Plan- \$1,200/member Benefit Maximum**
 - You may choose your dentist from the Delta Dental Premier Plan network. Network dentists have agreed to provide services at contracted rates. There are no annual deductibles for Preventive and Diagnostic Services.
 - Non-Delta Dental Premier Plan dentists are not required to provide services at contracted rates. The plan pays out-of-network providers based on the maximum plan allowance. You may be required to file your claim and you may be charged for amounts that exceed the maximum plan allowance.
 - You can access the Moda Health website at:
<https://www.modahealth.com/ProviderSearch/faces/webpages/search.xhtml> to search for a Delta Dental Premier Dentist under “Find a doctor, dentist, pharmacy or clinic”.

- **Willamette Dental Group Plan • Includes Orthodontia – No Benefit Maximum for Most Services, Must Use Willamette Dental Office**
 - The Willamette Dental Group plan provides set co-payments so that you always know what your out-of-pocket costs will be. There are no annual deductibles and no maximums for most covered benefits.
 - If you receive services from a non-Willamette Dental Group provider you will be responsible for all costs. If you are currently covered by a different carrier and switch to Willamette Dental Group, you will most likely need to change dental providers.
 - You can access the OEGB Willamette Dental Group website at:
<https://www.willamettedental.com/oebb> to find an In-Network dentist.

Note: All benefit eligible employees are allowed to waive dental coverage during Open Enrollment. However, dental benefits are subject to 12-month waiting period restrictions for members who previously waived dental coverage for themselves and/or a dependent and re-enroll in the future. The “waiting period” restrictions only allow an exam and cleaning, with no other preventive/diagnostic, basic, major or orthodontia benefits for the first 12 months of coverage.

Optional Benefits

Optional Term Life Insurance

You may purchase Optional Term Life Insurance for you and your family. The amount of coverage you need is a personal decision. **An employee must be enrolled in optional life coverage at or higher than the level requested for the spouse/domestic partner or dependents.**

Rate Criteria:

OEBB applies a Tobacco Rate for employee and/or spouse/domestic partner enrolled in any Optional Term Life insurance who has used tobacco in the past 12 months. You must update smoking status for yourself and spouse/domestic partner (regardless of enrollment).

Non-Tobacco Rate:

- If employee HAS NEVER used tobacco or HAS NOT used tobacco in the past 12 months.
- If spouse/domestic partner HAS NEVER used tobacco or HAS NOT used tobacco in the past 12 months.

Tobacco Rate:

- If employee HAS used tobacco in the past 12 months.
- If spouse/domestic partner HAS used tobacco in the past 12 months.

Underwriting:

Evidence of Insurability/Proof of Good Health will be required if:

- An employee wants to newly enroll in Optional Life Insurance for themselves or their spouse/domestic partner.
- A currently enrolled employee/spouse/domestic partner elects to increase life coverage beyond the Guarantee Issue Amount.
- To provide **Evidence of Insurability** complete the “Standard Medical History Statement”, which can be obtained from The Standard Insurance company website at:

<http://www.standard.com/mybenefits/oebb/>

Flexible Spending Accounts (FSA)

A Flexible Spending Account allows employees to save money by paying for qualifying health related and/or dependent care expenses with pre-tax dollars. You decide how much to set aside to pay for eligible expenses incurred during the plan year. You make a separate election for each account. The plan year runs October 1, 2020 through September 30, 2021.

Enrollment for FSA will be online again this year. Log into your existing PacificSource account or create a new member account here: <https://hrbenefitsdirect.com/PSA/signIn.aspx>. You will use your Username/ZZMAN number to enroll. If you do not remember your Username/ZZMAN number, call PacificSource at (800) 422-7038.

When you have completed your FSA enrollment online, the PacificSource system allows you to print an enrollment confirmation letter. Please consider printing this document for your records.

Rules and Requirements:

- Participation requires a new enrollment each year. 4J will NOT accept a paper enrollment – all enrollments must be completed online. For a list of computer assistance dates/times, see the section in this document or on our website at <https://www.4j.lane.edu/hr/benefits/open-enrollment/>

- The amount is deducted on a pre-tax basis from your paycheck in equal amounts throughout the year before social security, federal and, in most cases, state and local income taxes are deducted.
- Any health care or dependent care expenses that are paid from the Flexible Spending Account may not be claimed as a deduction or credit when filing your income tax return.
- Money set aside for dependent care expenses cannot be used to reimburse health care expenses and vice-versa.

➤ Health Care FSA

- ***New*** Plan Year and Calendar Year Maximum allowed is \$2,750.
- Mid-Year elections changes **are not allowed** for the Health FSA plan.
- Use the FSA for eligible health related expenses for you, your spouse and any dependent you list on your tax return, provided they have not been reimbursed by other coverage. Examples include: health plan deductibles, prescriptions and other co-payments or coinsurance.
- Domestic Partner and their family member health related expenses are not eligible for reimbursement.
- You can **roll over up to \$550** into the following plan year of your current year Health FSA remaining balances.
- **Use-it-or-Lose-it Rule** applies to unused balances above \$550.
- **Benny Debit MasterCard** can be issued to make transactions easier! PacificSource may still request a copy and/or the Explanation of Benefits to verify eligible expenses.

➤ Dependent Care FSA

- Plan Year and Calendar Year Maximum allowed is \$5,000 (\$2,500 if married and filing separately).
- The amount you contribute to your account cannot be greater than your income or your spouse's income—whichever is less.
- You will be reimbursed for dependent care expenses only up to the amount of your Dependent Care Spending Account balance.
- Domestic Partner's children's day care expenses are **not** eligible for reimbursement.
- Mid-Year elections changes are only allowed with a Qualifying Life Event status change and must be made within 31 days of the life event.
- **Use-it-or-Lose-it Rule** applies. IRS rules require that any money left in your Dependent Care FSA at the end of the Plan Year must be forfeited. Contribution amounts **are not carried forward** from one year to the next year.
- Eligible Dependent Care expenses are for child day care or other dependent day care services when:
 - you and your spouse work outside the home (this is also true if your spouse is actively looking for work).
 - you work outside the home and your spouse is a full-time student at least five months of a year.
 - you work outside the home and your spouse is incapable of self-care.
 - your child(ren) is under age 13, as well as your spouse or an IRS Section 152 qualified child or relative—who is physically or mentally incapable of self-care.
- **Note:** You cannot use reimbursed expenses on the Earned Income Credit, which may be more advantageous if your family income is below \$25,000.

NA - Not applicable 1 Deductible waived.

2 Individual deductible and out-of-pocket maximum apply to single coverage only. Family deductible and out-of-pocket maximum apply when two or more individuals are covered on the plan. This plan also includes an embedded per member out-of-pocket max, which is set at the individual OOP amount. Under this plan, deductible must be met before benefits will be paid (except where 1 indicates deductible waived).

3 For Moda plans, OOP max includes medical copayments and coinsurance. Pharmacy copays and coinsurance and ACT copayments will continue accruing towards Maximum Cost Share. 4 Benefit is subject to a reference price limitation.

5 A formulary exception must be approved for non-preferred brand prescription medication.

6 If enrolled in a Moda medical plan, each covered individual must choose a PCP 360 with Moda for that individual to receive the enhanced "coordinated" benefit shown in the far left column under that plan when using a provider in the Connexus network. If an individual has not chosen a PCP 360 with Moda, they will receive the "non-coordinated" benefit shown in the center column if using a provider in the Connexus network. Any services by a provider outside the Connexus network will be paid at the "out-of-network" level (far right column under that plan) regardless of whether or not the individual has chosen a PCP 360 with Moda.

7. For value tier list please visit <https://my.kp.org/oebb/plans/> at bottom of page.

8. For Kaiser plans, acupuncture care, spinal manipulation and naturopathic substance only accrue towards your \$2000 benefit maximum. For Moda Plans, alternative care services are subject to 12 visits annually.

9. For Moda plans, virtual care (defined as 2-way video conferencing visits) is covered for primary care and urgent care services only.

This document is for comparison purposes only. The full benefits of each plan are described in the member handbooks. In the case of a conflict between this comparison and the member handbook, the member handbook will prevail.

Glossary of Insurance Terms

This is a list of common insurance terms used throughout your benefits materials. A complete glossary of health coverage and medical terms can be found by clicking [here](#).

Deductible: The amount you owe for health care services that your health plan covers before your insurance begins to pay. For example, if your deductible is \$1200, your plan won't pay anything until you've met your \$1200 deductible for covered health care services subject to the deductible. ***The deductible does not apply to all services.***

Co-insurance: Your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance plus any deductibles you owe. For example, if Moda's allowed amount for an office visit is \$100 and you've met your deductible, your co-insurance payment of 20% would be \$20. Moda pays the rest of the allowed amount.

Network: The facilities, providers and suppliers your health insurer or plan has contracted with to provide health care services.

Out-of-Pocket Limit: The most you pay during the benefit year before your health plan begins to pay 100% of the allowed amount. This limit does not include your monthly premium, balance-billed charges, or non-covered services. *Moda plan members must check to see what applies to out-of-pocket limit and what applies to max-cost-share limit.
