Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

From policy, practice and building design, we provide safe and secure learning environments.

EXTRACURRICULAR ACTIVITIES

Nota Especial

Los perfiles de escuelas y distritos de At-A-Glance cuentan una historia sobre las escuelas y distritos de Oregon. La historia es más difícil de contar este año, ya que la pandemia de COVID-19 afectó significativamente a nuestras escuelas y a los datos que recogemos. En consecuencia, los datos de evaluación y asistencia a nivel estatal no pueden compararse con los de años anteriores y no se muestran aquí. Hemos incluido enlaces a nuestro sitio web donde puede ver los datos de evaluación y asistencia de todo el Estado para 2020-21 y leer una descripción detallada de cómo se afectaron estos datos. Estamos agradecidos por su colaboración, ya que nos centramos en el cuidado, la conexión y la creación de entornos de aprendizaje seguros, inclusivos y de apoyo.
