

# Appeal Form

You may appeal to OEGB about dependent eligibility decisions, enrollment errors and omissions, or missed enrollment timelines. OEGB does not process insurance carrier appeals because OEGB honors the confidentiality of personal health information that is protected by HIPAA law. If you disagree with a processed claim, denied procedure, or reimbursement decision, you must appeal directly to the insurance carrier. Please consult the corresponding plan member handbook for more information about the appeals process for that insurance carrier.

**Complete and submit this form with all supporting documentation using one of the contact methods below. The appeal process will begin on the date this form is received by OEGB.**
