16. RIGHT TO AUDIT

The District reserves the right to audit, at reasonable times and places, the books and records of any proposer who has submitted cost or pricing data according to the terms of a contract, to the extent that such books and records relate to such cost or pricing data. Any vendor who receives a contract, for which cost or pricing data are required, shall maintain such books and records that relate to such cost or pricing data for three (3) years from the date of final payment under the contract.

17. PRICING

During the period of the contract, the District reserves the right to perform a spot market analysis to ensure competitive prices are obtained. As part of this analysis, the District can go elsewhere for an item or items if a lower price can be obtained. The proposer has a pre-emptive right to honor the best price for this item if it wishes.

Prior to the end of a contract year, if a contract extension is available, the District will perform an annual review of the program to determine if the program has performed successfully. If the review results are successful, the District will offer a one year extension to the contract. Renewal periods are the only opportunity for price increases. Pricing for services should increase no more than the US Urban Consumer Price Index annually. Any price increase over the US Urban Consumer CPI shall be justified in writing with documents supporting the reason for the increase. Any price decreases experienced during the contract period shall be passed on to the District immediately.

18. DISTRICT PERSONNEL

No officer, agent, consultant, or employee of the District shall be permitted any interest in the contract.

19. CONTRACT ALTERATIONS

No alteration in any of the terms, conditions, time, delivery, price, quality, quantities, or specifications will be effective without the prior WRITTEN consent of Purchasing.

20. ORDER OF PRECEDENT

In the event of ambiguity, preference shall be in this order: Statement of Work, General Terms and Conditions, the solicitation document, then the proposal document. For discrepancies between this contract and the Oregon Attorney General's Model Public Contract Rules Manual, preference shall be given first to Board Policy then the Rules Manual.

21. OTHER GOVERNMENT AGENCIES

Pursuant to ORS 279A.215 "Permissive Cooperative Procurements" other government agencies shall have the power to establish contracts under the terms, conditions, and prices of the original contract if the Selected Proposer (contractor) agrees. No material change may be made in any terms, conditions, or pricing from those established in the original contract between the District and Selected Proposer.

22. NON-DISCRIMINATION CLAUSE

The Proposer agrees not to discriminate against any client, employee or applicant for employment or for services, because of race, color, religion, sex, national origin, physical or mental handicap, sexual orientation or age unless based upon bona fide occupational qualifications with regard to, but not limited to, the following: employment up-grading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; selection for training; and/or rendition of services. It is further understood that any vendor who is in violation of this clause shall be barred forthwith from receiving awards of any purchase order from the District, unless a satisfactory showing is made that discriminatory practices have terminated and that a recurrence of such acts is unlikely.

The Lane County Sheriff’s Office and the Oregon Department of Education provide fingerprinting services for the District. Individuals or Proposer, and not the District, shall be responsible for the fees associated with fingerprinting and the criminal history records check, not to exceed the actual costs.

28. INDEPENDENT CONTRACTOR

The Proposer is an independent contractor, not an agent of the District, and nothing in this relationship shall be construed as creating a partnership, joint venture, franchise, agency, or employment relationship between the Proposer and the District. Neither the Proposer nor the District shall have the authority to make any statements, representations, nor commitments of any kind or to take any action binding the other except as provided for herein or authorized in writing by the party being bound.

Any such form completed by the Contractor for this Contract shall be incorporated into this Contract by reference.

31. TAXES

All taxes shall be the responsibility of the Proposer. The District will invoice the successful proposer with any county assessed property tax due.

32. NON-APPROPRIATION OF FUNDS

If the District's legislative body or other funding authority does not appropriate funds for contract payment for contract year or any subsequent appropriation period and District does not otherwise have funds available to lawfully pay the contract payments ("Non-Appropriation Event") District may, subject to the conditions herein and upon prior written notice to Proposer ("Non-Appropriation Notice"), effective 60 days after the later of Proposer's receipt of same or the end of the District's appropriation period ("Non-Appropriation Date"), terminate the contract and be released of its obligation to make all contract payments due after the Non- Appropriation Date.
