******Please note that teachers may ask for additional supplies for their specific classes.***

Please replace supplies as needed throughout the year. You may want to take advantage of summer school supply sales and stock up. Some families buy an extra binder or other materials in the summer because they know some of these materials are hard to come by or are significantly more expensive.

Any family who would like to donate to our “supply closet” for students who may need help with school items, may leave those items in the front office. Your generosity and support for ALL students is greatly appreciated!
