3. Elevated Levels of Lead in Water Used for Drinking or Food Preparation

All school districts, education service districts, and public charter schools are required to test for and eliminate exposure to elevated levels of lead in water used for Drinking and Food Preparation through either remediation or eliminating access, according to OAR 333-061-0400 and OAR 581-022-2223. In conformance with those administrative rules, Eugene School District 4J, certifies the following:

- 1. All testing was done according to the testing requirements in OAR 333-061-0400;
- 2. All samples were analyzed by a lab accredited by Oregon Health Authority to test for those materials;
- 3. All water fixtures required to be tested under OAR 333-061-0400 were tested for elevated levels of lead in accordance with the testing schedule developed by the Oregon Health Authority; and
- 4. The testing schedule for our district is governed by OAR 581-022-2223 where we must started a six-year testing cycle beginning July 1, 2020. This cycle is to be continuous throughout the six year period as covered by the plan set forth below or by reviewing the graphical version at the following website Eugene School District 4J Safe Schools Information: Date range example of 4J fiscal year 2022 is July 1, 2021 thru June 30, 2022.

4. Lead Paint

In order to comply with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule, the Eugene School District 4J will only contract with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board and/or have staff trained and certified by the Oregon Health Authority to perform the work.

5. Asbestos

Eugene School District 4J complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a public records request. Community members can submit a request here: Public Records Request

6. Radon

Eugene School District 4J has developed a radon plan as required by ORS 332.345 (previously ORS 332.167). Community members can access a copy of the radon plan and test results here: Radon

7. Integrated Pest Management

Eugene School District 4J has adopted an Integrated Pest Management (IPM) plan as required by ORS 634.700 through 634.750. Community members can access a copy of the IPM plan here: Integrated Pest Management

8. Carbon Monoxide Detectors

Eugene School District 4J certifies that all buildings subject to the Healthy and Safe Schools Plan comply with the carbon monoxide detection standards in the state building code that was in effect when the building was originally constructed or as required by building code due to addition, upgrade, or remodel.

9. Test Results Publication

Eugene School District 4J will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to

Adopted: October 21, 2022

final test results through links in the communications. Please contact your student's school or the district administration office to be including in district email lists and programs.

Eugene School District 4J is complying with the requirement to provide access to test results, as defined by OAR 581-022-2223 within 10 business days as defined by ORS 332-334. Test results can be located at the following website: Eugene School District 4J Safe Schools Information

Additionally, printed copies of test results are available at main district administration building.

I certify that the above information is true and accurate to the best of my knowledge.
