**LEGALLY
BLONDE
THE MUSICAL**

Oh, My Word!

We are tickled **PINK** that you've chosen to attend Fort Gibson Tiger Theatre's 2023-2024 All-School Musical, *Legally Blonde, the Musical*! Based on the 2001 movie of the same name, *Legally Blonde, the Musical* takes the story of Elle Woods to a whole new level of mind-blowing energy with its hilarious comedy, upbeat pop music, and nonstop choreography that combines cheerleading, hip-hop, and Irish step dancing! Of course, at the heart of this seemingly frivolous little show is the very important message that we are all more than a stereotype, and that it is only when we look beyond superficialities and into the hearts of each other that we gain the power to strip off our own labels and to make a true difference in the world around us. We believe our mega talented, open-hearted cast have managed to do just that. They have courageously faced their fears and selflessly set aside their own agendas in order to bring something truly beautiful to our Tiger Theatre stage, and we simply cannot wait for you to see what they are creating together.

To the original *Legally Blonde, the Musical* O.G.s (cast of 2011-12): You were the first to bring Elle, Emmett, Paulette, Warner, Vivian, Callahan, Kyle, Dewey, and the "girls of Delta Nu" to life on our stage. We have nothing but fond memories of our time together, and we will always love and appreciate you! Look for a few throw-back "Easter eggs" in tonight's production.

To every parent, grandparent, teacher, administrator, volunteer, and sponsor who helped make this show possible, thank you! Your support of our students, our program, and our district does not go unnoticed. Now, sit back and get ready to be blown away by over a hundred and twenty incredibly talented elementary, middle school, and high school Fort Gibson students as we present *Legally Blonde, the Musical*!

You know how it is. Sometimes things just happen: spills on the carpet, pet accidents, and the general wear and tear of everyday life. These things take their toll on your carpets, upholstery and other items. Sometimes you need a deeper clean for your home than you can do yourself. You need a professional cleaning company that can provide heavy duty cleaning services. That's when you can call the certified professionals at SERVPRO. Our experienced professionals are trained in a variety of cleaning methods for carpets, drapery, blinds, upholstery and hardwood floors. We're backed by more than 50 years of experience in the cleaning and restoration industry and have the training and equipment to give your home a higher level of cleanliness.

Our professional carpet cleaners can remove deep-seated dirt and grime to keep your carpet and rugs looking their best and extend their lifespan. Even the most high-quality items can become soiled with dust, dirt, pet hair and the daily traffic of family life. SERVPRO applies its more than 50 years of knowledge and experience in restoration to carpet cleaning and upholstery cleaning projects of all sizes. We use a variety of cleaning methods depending on your situation. Our goal is to clean carpets, rugs and upholstery to your satisfaction to restore them to their original appearance.

Most people know our name as a leader in the cleanup and restoration industry with more than 50 years of experience. So many of our restoration services—such as mold remediation and fire damage—involve the air quality in your home. When you call on us for your home's HVAC maintenance and air duct cleaning, we bring that experience and our training, just as we do to any other restoration or cleaning project. Our duct cleaning process meets industry standards as defined by the National Air Duct Cleaner's Association. Our technicians are knowledgeable in the use of duct cleaning tools and hold to all applicable safety standards in helping to restore and maintain a cleaner environment in your home. SERVPRO professionals are trained to deep clean in a way that a general janitorial service can't. We have advanced cleaning technology and products to get the job done. Call SERVPRO today.
