I can't tell you how very proud I am of your kids. They are really becoming little reading machines! Tell them how proud of them you are...it goes such a long way!

I would like to say I'm very sorry I haven't been sending newsletters out weekly but I think I'm finally getting caught up and will be able to communicate with you better. If you every have any questions or concerns please call, text, email, or message me on the bloomz app. I appreciate all that you do!

Spelling

Work on the words from your child's folder. They should be located in the pouch where the guided reading book is and they will be on that brochure.

Phonics

We have talked about blends, digraphs, chunks and now we are focusing on bossy r's (when a vowel is followed by r it usually changes the vowel sounds...ar, or, er, ir, ur).

Math

Addition and subtraction facts to 12

Nightly

Read guided reading book & sign log nightly (just a reminder that the log is for a letter grade).

Practice at your convenience

Read library book, practice sight words (although I would prefer that these are done every other night)

And count to 100 and write to 100 in your folder on the plastic sleeve.
