STANDARDIZED TESTING INFO & RESOURCES

STANDARDIZED TESTING FAQ

Be sure to look at Ms. Erikson's '[Standardized Testing](#)' Canvas page for detailed information on the following:

- *SAT + ACT registration instructions*
- *SAT + ACT study resources*

- *Fee waiver information*
- *Testing accommodations*
- *TOEFL registration*

Important SAT/ACT Test Day Information:

Make sure you bring what you need for test day! This includes a printed copy of your admissions ticket, a photo ID (a school ID is valid), No.2 pencils, and an approved calculator (the list can be found [here](#)).

Need help registering? Contact Ms. Erikson (rschmid@framingham.k12.ma.us)

What is the Difference Between the SAT/ACT?

There are a few key differences between the SAT and the ACT. ACT scores range between 1-36, and SAT scores range between 800-1600. The ACT allows a calculator to be used for all math sections; the SAT only permits a calculator on some sections (though, both tests focus on arithmetic, Algebra I&II, Geometry, and Trigonometry). ACT does have a science focus, unlike the SAT. *Both the ACT & SAT are accepted by almost all colleges/universities in the U.S.

Should I take the ACT/SAT Combo Practice Test?

Yes! For all the reasons above, you may have a standardized test preference. The only way to find out which one you have is to take a sample of each test. Contact Ms. Erikson for details on how to find an online combo practice test.

Do I Qualify for a Fee Waiver, & Where Do I Get One?

Do you have free/reduced lunch and/or receive any financial assistance? If so, you qualify for a SAT fee waiver! A fee waiver covers the cost of up to two SAT tests and three SAT Subject Tests. If you need an **SAT or ACT fee waiver** please contact Ms. Erikson (rschmid@framingham.k12.ma.us) and she will get you a code and help you register.

How do I Send Schools my ACT/SAT Scores?

Official [SAT/ACT](#) scores must be submitted through their respective websites. **Scores are NOT sent by FHS students' respective colleges.** Four score sends are covered by the registration fee for both the SAT and ACT. Students who qualify for free/reduced lunch get up to eight free score sends.

*****While some options are listed below, Framingham High cannot endorse any particular tutors or tutoring companies. We recommend that students/families conduct their own research prior to starting services.*
