- [Military](#)
- [Alternative Pathways](#) --> e.g. gap years; trade/apprenticeship programs; internships

INTERNATIONAL UNIVERSITIES FAIR 2/22/22

Our **International Universities Fair** taking place on **Tuesday, February 22nd** is now open! Students and their parents/guardians can see further details (including participating universities), and check the local time by clicking this [link](#)!

2/25 + 2/26 STUDY ABROAD FAIR

We would like to welcome you and your students to the free two-day Study and Go Abroad Virtual Fair on February 25 & 26 (from 11am to 5pm EST). We have a great line-up of universities and colleges from the USA and around the world attending the fair, and would really appreciate your help in getting the word out to your students. It is a valuable event for students, and totally free of charge.

Similar to a regular fair, visitors to the virtual fair are able to visit booths, chat live with university representatives (video or text-based chats), download brochures, watch videos and attend informative webinars. Students will learn about scholarships, admission requirements and a full range of program options; Law, Medicine, Business, Engineering, Sciences, Fine Arts and more.

Check the [website](#) for [exhibitor information](#) and profiles, and the [webinar schedule](#).

Date: Friday, Saturday - Feb 25th & 26th

Place: Online

Expo hours: 11am to 5pm EST

Admission: FREE | Register [here](#)

Students can use this link to sign up for the fair: <https://saga.easyvirtualfair.com/>, and the link for more information is <https://www.studyandgoabroad.com/virtual-education-fair/>

ANNUAL SUDBURY SERF COLLEGE FAIR: MARCH 13-19

The [Annual SERF College Fair](#) - 14 years strong - encourages and supports high school students from all backgrounds to explore education after graduation. High school students and their families, including those in all of our neighboring communities, are invited to join us for FREE seminars and workshops with experienced college counselors, and for live conversations with college admissions and gap year representatives. Sponsorships of this event contribute to SERF's mission of funding K-12 educational grants that bring innovation and enrichment to all of our community's schools. *See the flyer below for more information.*

- **Online seminars: March 13-18 2022**
- **Live + in-person: March 19, 2022**

STANDARDIZED TESTING INFO & RESOURCES

STANDARDIZED TESTING FAQ

Be sure to look at Ms. Erikson's '[Standardized Testing](#)' Canvas page for detailed information on the following:

- *SAT + ACT registration instructions*
- *SAT + ACT study resources*
- *Fee waiver information*
- *Testing accommodations*
- *TOEFL registration*

Important SAT/ACT Test Day Information:

Make sure you bring what you need for test day! This includes a printed copy of your admissions ticket, a photo ID (a school ID is valid), No.2 pencils, and an approved calculator (the list can be found [here](#)).

Need help registering? Contact Ms. Erikson (rschmid@framingham.k12.ma.us)

What is the Difference Between the SAT/ACT?

There are a few key differences between the SAT and the ACT. ACT scores range between 1-36, and SAT scores range between 800-1600. The ACT allows a calculator to be used for all math sections; the SAT only permits a calculator on some sections (though, both tests focus on arithmetic, Algebra I&II, Geometry, and Trigonometry). ACT does have a science focus, unlike the SAT. *Both the ACT & SAT are accepted by almost all colleges/universities in the U.S.

Should I take the ACT/SAT Combo Practice Test?

Yes! For all the reasons above, you may have a standardized test preference. The only way to find out which one you have is to take a sample of each test. Contact Ms. Erikson for details on how to find an online combo practice test.

Do I Qualify for a Fee Waiver, & Where Do I Get One?

Do you have free/reduced lunch and/or receive any financial assistance? If so, you qualify for a SAT fee waiver! A fee waiver covers the cost of up to two SAT tests and three SAT Subject Tests. If you need an **SAT or ACT fee waiver** please contact Ms. Erikson (rschmid@framingham.k12.ma.us) and she will get you a code and help you register.

How do I Send Schools my ACT/SAT Scores?

Official [SAT/ACT](#) scores must be submitted through their respective websites. **Scores are NOT sent by FHS students' respective colleges.** Four score sends are covered by the registration fee for both the SAT and ACT. Students who qualify for free/reduced lunch get up to eight free score sends.

****While some options are listed below, Framingham High cannot endorse any particular tutors or tutoring companies. We recommend that students/families conduct their own research prior to starting services.*

SAT (*Regular Length*) | Saturday, March 12th @ 10:00 AM EST

ACT (*Regular Length*) | Sunday, March 13th @ 12:00 PM EST

SUMMIT EDUCATIONAL GROUP

TAKE A FREE PRACTICE TEST: Much like a scrimmage or dress rehearsal, taking practice tests under realistic conditions removes the mystery of the test, reduces test anxiety, and increases confidence. Practice tests are a crucial component of any successful test prep program. They provide a starting baseline for test planning and help tutors and students track progress toward their score goals.

Online or in-person (Newton, MA) practice tests. Find dates [here!](#)

FREE WORKSHOPS WITH SAT SIMPLIFIED

- **Tackling the Toughest SAT Math Problems** – December 8th at 6pm
In this workshop we'll go through the most difficult math problems on SAT Practice Test #9. We'll also show students how they can use the same strategies on the problems that they'll encounter on test day -> [Click Here for Details & Registration](#)
- **Getting the Most out of you PSAT Score Report** – December 15th at 6pm
Students can use the information from their SAT (or PSAT) score reports to create a more effective "SAT game plan." We'll teach students how to do this by focusing on 5 of the most common "opportunities for improvement" that we've seen with our students -> [Click Here for Details & Registration](#)

[Click Here for our Upcoming Classes!](#)

SAT / ACT PRACTICE WITH SUMMIT EDU GROUP

Whether you have 10th grade students looking for baseline testing, a 7th grader looking to try an SSAT for the first time or an 11th grader wanting to check in on their progress, we have several different options. Families can register for our practice tests by visiting our website here: <https://mytutor.com/free-practice-tests>

- **In Person Proctored Practice Tests:** We continue to run in person test at our three office locations in New Canaan, CT, Newton, MA and White Plains, NY. Strict health and safety measures continue to be in place and families can review our safety guidelines in more detail on our site.
- **Online Proctored Practice Tests via Zoom:** Offered on weekends and select weekdays. Students will receive paper copies of the test in advance and will be provided with a Zoom link.

In addition to our scheduled proctored tests, we also have convenient on-demand options:

- **Test Proctor Videos:** If a student is unable to attend a scheduled practice test in person or over Zoom, they can cue up one of our high quality proctoring videos to ensure that the test is being taken under timed conditions.
- **Digital Testing:** Our digital testing platform has been designed to reflect the current interfaces of official digital tests for the SAT, ACT, SSAT and ISEE. This platform is a great resource for students that are planning on taking their official tests in a digital format so they can be exposed to the look and feel of the test.

EDUCATION STATION TEST PREP

SAT/ACT Six-Week Test Prep Program

Students will receive:

- **24 - Hours of Guided Instruction-** to review essential concepts, testing-specific strategies and problem-solving skills
- **One Complete Student Manual-** includes a curriculum outline, practice problems, homework assignments and more
- **Six Practice Tests-** will be graded and sent back with a breakdown analysis of your results to track progress and focus study efforts

To see upcoming dates/sessions [click here!](#)

Other services offered by Education Station:

- **[15- Minute College Essay Review Session](#)**– Do you have a draft of your college essay? Do you want it reviewed by an admissions expert?
- **[Academic Profile Review Session](#)**– Meet with our founder, Christine Chapman, who has 26 years of experience working with college-bound students. Christine will review your profile and answer any questions you may have while she helps you develop a personalized map through the college application process.
- **[SAT/ACT Baseline Testing](#)**– We offer baseline testing for both the SAT and ACT exam. Students will receive a practice exam and self-administration instructions so they may take the exam at home under real testing conditions. Our tutoring team will review each student's results and offer a recommendation for an exam. Students will receive a score

report and a breakdown analysis of their results that highlights areas of opportunity and weakness.

TEST OPTIONAL SCHOOLS

Test optional means that a school does not require SAT or ACT scores as a part of your application.

Over 1,000 colleges and universities are test optional. Find a complete list at www.fairtest.org!

THE TOEFL EXAM

The **Test of English as a Foreign Language (TOEFL)** is a standardized test that measures English language ability for non-native speakers who plan to enroll in an English-speaking college/university—the test evaluates listening, reading, writing, and speaking skills in relationship to academic tasks.

Test costs range between \$150-\$225. Unfortunately, no financial aid is offered for the TOEFL test. Fee-based and free prep materials can be found on the [TOEFL website](http://www.toefl.org) or in the College & Career Center (E118). To register and see test dates/locations visit www.toefl.org.

STEM OPPORTUNITIES

AUTONOMOUS MINI -RACECAR (ROBOTICS) COURSE WITH MIT CURRICULUM

Learn with Leaders is inviting applications for **The Autonomous Mini - RACECAR (Robotics) Program** - designed as an introductory course in robotics for students with some programming experience. In this course, students will be working with a virtual RACECAR in a custom-built simulation (**designed by MIT Beaver Works Summer Institute**).

The program is spread over **6 Saturdays (Labs)**. Each Lab consists of a lecture, an exploration component, and a series of hands-on challenges. These labs grow in complexity, beginning with basic tasks such as driving in shapes and **building to** important concepts in robotics including **SLAM, sensor fusion, and path planning**. At the end of

Learn the basics of Robotics with the **AUTONOMOUS Mini-RACECAR Course**

Designed by **MIT BEAVER WORKS**

About The Program

The Autonomous Mini-RACECAR (Robotics) program is designed as an introductory course in robotics for students with some programming experience. In this course, students will be working with a virtual RACECAR in a custom-built simulation designed by MIT Beaver Works Summer Institute.

Course Involves

- Each Lab (Session) consists of a lecture, an exploration component, and a series of hands-on challenges.
- These labs grow in complexity, beginning with basic tasks such as driving in shapes and building to important concepts in robotics, including SLAM, sensor fusion, and path planning.
- At the end of the course, apply everything you have learned to complete the final grand challenge (which combines elements from each lab).

Mentors

- Dr. Masoumeh Mansouri**, Lecturer, School of Computer Science, University of Birmingham
- Dr. Fatima Faruq**, Research Assistant, Navigation & Autonomy Group, University of Manchester

Program Dates Application Eligibility Program Fee

this course, students will apply everything they have learned to complete the final grand challenge which combines elements from each lab.

Program start date: 19th February 2022

Program Duration: 6 Weeks (Every Saturday)

Application Deadline: 5th February 2022 | **Program Fee:** USD 400

Eligibility:

- Grades 9th-12th
- Must be familiar with the basics of Python

Students **do not** need to have any prior experience with robotics

To know more, click here: <https://learnwithleaders.com/miniracecar> | To apply [click here](#)

A.I. SCHOLARS LIVE ONLINE CODING PROGRAM

AI Scholars Live Online is a 10 session (25-hour) program that exposes high school students to fundamental AI concepts and guides them to build a socially impactful project. Taught by our team of graduate students from Stanford, MIT, and more, students receive a personalized learning experience in small groups with a student-teacher ratio of 5:1. Learn more or apply now [here](#).

SCHOLARSHIPS

HOW DO I APPLY? ↓↓↓↓↓↓

The type of application a scholarship uses is listed at the bottom of the name/description. Please be aware of the directions below for how to submit scholarships:

Scholarships with PRIVATE APPLICATIONS:

Scholarships with private applications should be submitted to the address and/or email indicated on its unique application, which can be found in the newsletter below and/or on [Naviance](#).

Scholarships using the FHS APPLICATION:

Scholarships using the FHS application should be emailed to Mrs. Erikson, College & Career Counselor, at rschmid@framingham.k12.ma.us. Copies of the FHS application can be found on Naviance; the essay topic can be found in the black box at the top of the application.

If a scholarship uses an FHS application, it should be submitted to Ms. Erikson on ONE EMAIL that includes the application and the essay as a PDF ATTACHMENT, with the scholarship name as the subject line.

Please see some reputable public scholarship websites here:

GAP YEAR PROGRAMS & EVENTS

GAP YEAR SOLUTIONS

[Gap Year Solutions](#) helps students increase college success by helping them have a transformational experience based on life skills and real world learning. We “meet students where they are,” and listen carefully to their interests and goals. We are your Gap Year coach and mentor throughout this process, and customize a combination of internships, work, service and travel into a structured Gap Year plan. We encourage students to embrace this unique opportunity to push the pause button, dream big, be authentic and believe in themselves! Visit their website to start Gap Year [Planning](#) or Gap Year [Mentoring](#). You can find the full schedule on the [Events](#) page of our website.

RUSTIC PATHWAYS

Since 1983 [Rustic Pathways](#) has been operating intentionally designed, transformative student-travel programs with impact at the core of the experience.

Want to see the world now? Explore our new [Flightless Travel Resources](#) with everything from virtual tours and language learning to movie and music playlists to help you explore a country even when you can't travel right now! Explore their travel programs [here](#).

YEAR UP!

Year Up's mission is to close the Opportunity Divide by ensuring that young adults gain the skills, experiences, and support that will empower them to reach their potential through careers and higher education. Year Up's job training program is tuition free, and offers access to today's best companies and a proven path to career success. [Learn more here!](#)

As we kick off the Fall recruitment, I want to reach out and schedule some outreach opportunities with your upcoming graduates this February/March. Use the [calendar](#) to schedule a virtual visit.

UNIVERSAL TECHNICAL INSTITUTE

Universal Technical Institute (UTI) has relationships with leading manufacturers, aftermarket parts companies and performance shops to help build curriculum. The companies that work with UTI do so for a reason: They trust UTI to train the technicians that they employ. [CHECK OUT OUR PROGRAMS!](#)

Upcoming events:

- [Reach for the Life You've Imagined](#)
- [STEM Demo or Industry Day](#)

Interested in UTI? Contact: Scott Boydston

Admissions Representative C: 774-571-1781 | sboydston@uti.edu

BENJAMIN FRANKLIN INSTITUTE OF TECHNOLOGY

Our program is Boston's most affordable private accredited Electrical Engineering bachelor's degree. High achieving students can apply directly to the bachelor's program. But we also provide a pathway for students who might not otherwise consider pursuing an engineering degree. Students build their skills with a Certificate in Electronics Technology, then an Associate degree in Mechatronics Engineering Technology before transferring into the junior year of the Electrical Engineering bachelor's program.

Interested in BFIT? Contact Calvin Conyers

Assistant Dean of Admissions and Recruitment | P: 617-588-1299 | Email: CConyers@bfit.edu

JOB CORPS

Job Corps is still actively recruiting the young people in our communities that will benefit the most from our program.

Although, times have changed and face to face meetings are still not possible at this time, Job Corps would like to extend an invite

to hold a meeting and/or info session with any staff or young person that may be interested in attending Job Corps.

Job Corps also host two weekly info sessions via Zoom on Tuesdays @ 2pm & Thursdays @ 6:30pm—open to all!

Interested in Job Corps? Contact: Katie Skuse (Admission Counselor)

Skuse.Kathryn@jobcorps.org
