APPLYING TO COLLEGE - PLEASE READ:

- Make sure you double check your deadlines and submit ahead of time (be sure to hit submit in Common App or electronic application). You do not have to wait until school documents are submitted for you to submit your application. You may submit your application when you are done!
- Be sure you have spoken with your counselor.
- Check in with the teachers who are writing your letters of recommendation to make sure they know a) which colleges to which you would like their letters sent b) the deadlines for your colleges.
- If Standardized Test Scores are required, make sure you send your scores from the College Board or ACT website as soon as possible.
- Check the financial aid requirements and deadlines for each of your schools.

***Once you have submitted, make sure you do the following in the days and weeks after your deadlines:

- If your schools have portals, be sure to log in to make sure that your colleges have all the materials they need and that you have a complete application.
- Please be sure to check your email every day. Colleges let students know about missing materials AND admissions decisions using email.
- If you are not able to check in a portal, you can call the admissions offices to make sure that they have a complete file. This should happen a couple of weeks after the deadline, as it takes colleges some time to process all materials.

IN ORDER TO REQUEST A TRANSCRIPT, YOU MUST LINK YOUR NAVIANCE & COMMON APP ACCOUNTS!

THE COMMON APPLICATION

The **COLLEGE APPLICATION** is the backbone of all of the information a college/university needs to know about you to assess if you'd be a good fit for their school. The majority of schools use the [Common Application](#) as their application portal. Some schools have an application portal built into their website, and other schools use an application portal called the [Coalition App](#) (similar to the Common App; see schools that use the Coalition App [here](#)). Creating an account on any of these portals is free, but most

colleges/universities have a cost associated with applying. All applications are created and submitted online.

For step-by-step directions about applying to college and FAQs, please visit Ms. Erikson's ['The College Application'](#) Canvas page.

LEARN WITH LEADERS: HARVARD'S STUDENT AGENCY

Learn with Leaders is excited to share with you the details of unique winter programs by **Harvard Student Agencies (HSA) at Harvard University**, that your students can kick start the New year with! Please find attached the details of all the HSA programs in the brochure below. **Certificates will be provided directly by Harvard Student Agencies at Harvard University.**

1. Future Doctors Program by Harvard Student Agencies at Harvard University:

Future Doctors Program seeks to introduce students to the fundamentals of pre-medical studies. The program covers various topics including content modules on genetic inheritance, hormones, immunology, and organic chemistry. It also explores case studies on various diseases, poses medical ethics questions, and offers an opportunity to dissect scientific papers. The program aims to prepare students for a career in medicine by providing an overview of the MCAT process, as well as the chance to hear first-hand about the process from Harvard students.

Providing an extensive overview of pre-med, the program encourages students to think critically and quickly. Each day begins with an in-depth lecture covering an important aspect of the medical field ranging from genetics to organic chemistry. Students then engage in hands-on activities created to orient them to the realities of working in medicine. The program guides students through topics and higher-order thinking skills necessary to succeed in the medical field.

- **Duration: 2 weekends (over 9 days)**

- Fees: USD 240
- Program Start Date - 22nd January 2022
- Mode: Online (Zoom)
- For more details, [visit the website](#). [Click here](#), to apply now!

2. Program in Policy Making and International Relations by Harvard Student Agencies at Harvard University:

The two-weekend program will enable students to explore their **passions in International Relations**, and develop an understanding of the role of nations, international institutions and the relationships between countries. Students will also learn about **careers** in diplomacy, international organizations, trade, NGOs, governments, etc. The **topics to be covered** include political theory and international relations, campaign management, tackling policy conflicts, pitching actionable policy recommendations, and more!

- Duration: 2 weekends (over 9 days)
- Fees: USD 240
- Program Start Date - 22nd January 2022
- Mode: Online (Zoom)
- For more details, [visit the website](#). [Click here](#), to apply now!

3. Future Lawyers Program by Harvard Student Agencies at Harvard University:

The Future Lawyers Program with the best from Harvard Student Agencies (HSA) allows students to get their first taste of the complex world of pre-law studies and the American legal system. Beginning with civics lessons and the acquaintance of students with the legal system itself, the program quickly equips students with the skills they need to read, interpret, and incorporate legal cases into their writing. In addition to fostering these pre-legal skills, students will get acquainted with pre-law studies and the Law School Admissions Test, for which they'll be taught strategies to tackle the daunting exam.

- Duration: 2 weekends (Over 9 days)
- Fees: USD 240
- Program Start Date - 22nd January 2022
- Mode: Online (Zoom)
- For more details, [visit the website](#). [Click here](#), to apply now!

STANDARDIZED TESTING INFO & RESOURCES

STANDARDIZED TESTING FAQ

Be sure to look at Ms. Erikson's '[Standardized Testing](#)' Canvas page for detailed information on the following:

- *SAT + ACT registration instructions*
- *SAT + ACT study resources*
- *Fee waiver information*
- *Testing accommodations*
- *TOEFL registration*

Important SAT/ACT Test Day Information:

Make sure you bring what you need for test day! This includes a printed copy of your admissions ticket, a photo ID (a school ID is valid), No.2 pencils, and an approved calculator (the list can be found [here](#)).

Need help registering? Contact Ms. Erikson (rschmid@framingham.k12.ma.us)

What is the Difference Between the SAT/ACT?

There are a few key differences between the SAT and the ACT. ACT scores range between 1-36, and SAT scores range between 800-1600. The ACT allows a calculator to be used for all math sections; the SAT only permits a calculator on some sections (though, both tests focus on arithmetic, Algebra I&II, Geometry, and Trigonometry). ACT does have a science focus, unlike the SAT. *Both the ACT & SAT are accepted by almost all colleges/universities in the U.S.

Should I take both an ACT + SAT Practice Test?

Yes! For all the reasons above, you may have a standardized test preference. The only way to find out which one you have is to take a sample of each test. Contact Ms. Erikson for details on how to find an online or hosted practice test.

Do I Qualify for a Fee Waiver, & Where Do I Get One?

Do you have free/reduced lunch and/or receive any financial assistance? If so, you qualify for a SAT fee waiver! A fee waiver covers the cost of up to two SAT tests and three SAT Subject Tests. If you need an **SAT or ACT fee waiver** please contact Ms. Erikson (rschmid@framingham.k12.ma.us) and she will get you a code and help you register.

How do I Send Schools my ACT/SAT Scores?

Official [SAT/ACT](#) scores must be submitted through their respective websites. **Scores are NOT sent by FHS students' respective colleges.** Four score sends are covered by the registration fee for both the SAT and ACT. Students who qualify for free/reduced lunch get up to eight free score sends.

*****While some options are listed below, Framingham High cannot endorse any particular tutors or tutoring companies. We recommend that students/families conduct their own research prior to starting services.*

TEST OPTIONAL SCHOOLS

Test optional means that a school does not require SAT or ACT scores as a part of your application.

Over 1,000 colleges and universities are test optional.

Find a complete list at www.fairtest.org!

THE TOEFL EXAM

The **Test of English as a Foreign Language (TOEFL)** is a standardized test that measures English language ability for non-native speakers who plan to enroll in an English-speaking college/university—the test evaluates listening, reading, writing, and speaking skills in relationship to academic tasks.

Test costs range between \$150-\$225. Unfortunately, no financial aid is offered for the TOEFL test. Fee-based and free prep materials can be found on the [TOEFL website](#) or in the CACC (E118). To register and see test dates/locations visit www.toefl.org.

STEVENS TRADING DAY 2022

The [School of Business at Stevens Institute of Technology](#) invites all high school students that are 16 years or older to participate in **Stevens Trading Day 2022** - a virtual and live trading competition event.

In the first phase of this trading competition which will launch on **February 1, 2022**, students will create a portfolio using [Dow Jones MarketWatch Virtual Stock Exchange](#), an easy-to-use trading simulator which provides real time market data, news, and historical pricing information on indexes, listed and OTC securities.

In the second phase of this competition, the 25 students with the top performing portfolios as of **February 28, 2022**, will be invited to our campus in Hoboken, NJ on **Friday, April 1, 2022**, for an exciting live trading competition event in our state-of-the-art [Hanlon Financial Systems Center](#) laboratories. The agenda of the day will include the following:

- Bloomberg 101 - Introductory workshop on the key functions of the Bloomberg terminal
- Live Trading Event - Compete against the best of the best high school traders for prizes
- Market Insight Discussion - Professor George Calhoun, contributor for Forbes magazine, will provide color on the state of the financial markets
- Campus Tour and Lunch

If you are a high school student interested in the stock market, please register [HERE](#) for **Stevens Trading Day 2022**.

UNIVERSAL TECHNICAL INSTITUTE

Universal Technical Institute (UTI) has relationships with leading manufacturers, aftermarket parts companies and performance shops to help build curriculum. The companies that work with UTI do so for a reason: They trust UTI to train the technicians that they employ. [CHECK OUT OUR PROGRAMS!](#)
