## College Visits

Every fall there are ~100 colleges that come to Framingham High School to meet with students; these visits are an important and valuable piece of the college application process. ## College Process

### RESEARCHING COLLEGES + POSTSECONDARY RESOURCES

Ms. Erikson has created Canvas pages to help you explore information and resources related to the college search + application process and answer commonly asked questions. Check them out below:

- [The College Search](#)
- [The College Application Process](#)
- [Mass Bay / community college](#)
- [Standardized Testing](#)
- [Military](#)
- [Alternative Pathways](#) --> e.g. gap years; trade/apprenticeship programs; internships

### Upcoming College Fairs

Attending a college fair will allow you to see just how many different types of colleges and universities are out there! Exploring one place with lots of different schools in attendance will help you build and narrow down your college list.

### The Common Application

The **COLLEGE APPLICATION** is the backbone of all of the information a college/university needs to know about you to assess if you'd be a good fit for their school. The majority of schools use the [Common Application](#) as their application portal. Some schools have an application portal built into their website, and other schools use an application portal called the [Coalition App](#) (similar to the Common App; see schools that use the Coalition App [here](#)). Creating an account on any of these portals is free, but most colleges/universities have a cost associated with applying. All applications are created and submitted online.

For step-by-step directions about applying to college and FAQs, please visit Ms. Erikson's ['The College Application'](#) Canvas page.

### Early Decision

Students can pick a single school to apply to, under a binding agreement – if they are admitted, they must attend.

#### Early Decision I

This is the main attempt for students to apply ED to a given school – and usually has the most advantage for students in terms of admit rates.

#### Early Decision II

For students who aren't admitted in the first ED wave, some schools offer another round –there isn't usually as much advantage in admit rates here, but still better than regular admission.

Typical deadline: **November 1st**

Typical decision release: **December 15th**

### Early Action

Students apply earlier in the timeline. They aren't bound to enroll if they're admitted.

#### Regular Early Action

Students apply earlier in the cycle, to as many schools as they'd like. There's a slight advantage to admit rate, and students also get the benefit of learning the decisions earlier in the process.

#### Single-Choice Early Action

Students apply earlier in the cycle, but for these schools, they are only allowed to apply to a single school. There's a slight advantage to admit rate.

Typical deadline: **November 1st**

Typical decision release: **December 15th**

### Regular Decision

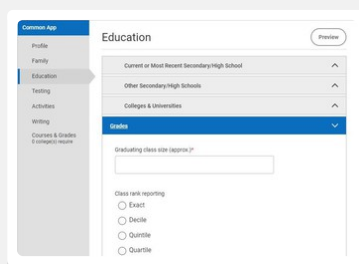

Students apply to as many schools as they'd like, and are not bound to enroll if they are offered admission.

Typical deadline:

**January 1st**

Typical decision release:

**April 1st**
