

STEM EXPO

SCIENCE • TECHNOLOGY • ENGINEERING • MATH

In Person | Wednesday, May 8, 2024 | 1-2PM | WH Cafeteria

Virtual | Monday, May 5 - Friday, May 10

Click **LINK** or Scan Code for Virtual Event

The **STEM EXPO** recognizes the creativity and contributions of our students and faculty over the course of the semester in the disciplines of Science, Technology, Engineering, and Mathematics and seeks to foster alliances with secondary schools, higher education, and private industry in the region.

Our exhibition highlights student-developed projects that demonstrate the multi-dimensional skills, problem-solving capabilities and talents of our diverse student body. We hope you will be able to visit the **STEM EXPO** on campus and virtually to see what our students have accomplished.

Throughout the week we invite you to:

- Browse through the STEM EXPO site pages and watch short videos of student projects in the areas of Science, Computer Science, Engineering, and Mathematics.
- Presenters will be checking the page once a day to reply to comments and questions.

Stop by the Wellesley Hills Cafeteria on Wednesday, May 8, from 1-2 PM, to see the student exhibits and chat with the presenters.
