

# Take a Live Practice Digital PSAT® & ACT® with Revolution Prep

The ACT & SAT, which covers the entirety of your child’s high school learning, can seem daunting and overwhelming. To add to this, for the class of 2025 and younger, the College Board is switching the SAT from a written to a digital format. Revolution Prep is ready to support students and their families in preparing for their official college admissions exams and the transition to digital by offering ACT and digital SAT practice tests.

We’ve carefully modeled our digital testing experience after the official test, so that students feel confident in navigating the intricacies of the new digital format—the closest experience to the real thing that you can get!

If your child is prepared, they'll feel less overwhelmed. **The best way to prepare is to practice.** Proctored practice tests are an opportunity for your child to work on pacing and endurance in a setting that best simulates the test day environment. Plus, you can see your child’s score instantly in the Revolution Prep mobile app or student dashboard!
