You can link your Canvas account to additional student accounts from the Canvas Parent app. To link your account, you will need a student pairing code provided by your student, their instructor, or an admin from your student's institution.

Learn more about [pairing codes](#).

Tap the **Menu** icon.

Manage Students

The image shows a user profile card for Caroline Jones. At the top left is a circular profile picture with the initials 'CJ' and a blue globe icon. Below the picture, the name 'Caroline Jones' is displayed in bold, followed by the email address 'c.jones.canvas@gmail.com'. A list of menu items follows: 'Manage Children' (with a person icon), 'Help' (with a question mark icon), 'Change User' (with a person icon), and 'Log Out' (with a door icon). The 'Manage Children' item is highlighted with a red rounded rectangular border. At the bottom left, the text 'Version 2.0.4' is visible. The card has a white background and a dark blue header bar at the top right.

 **Manage Children**

 **Help**

 **Change User**

 **Log Out**

Version 2.0.4

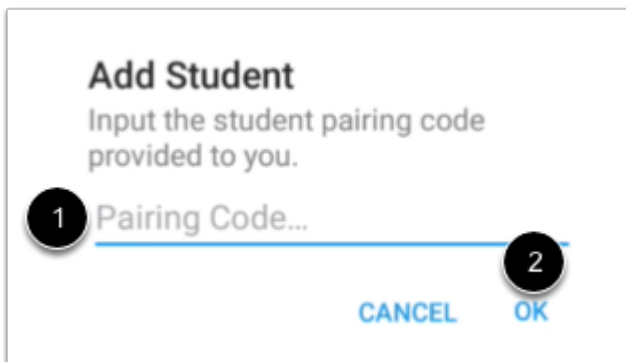

Tap the **Manage Children** link.

Add Student

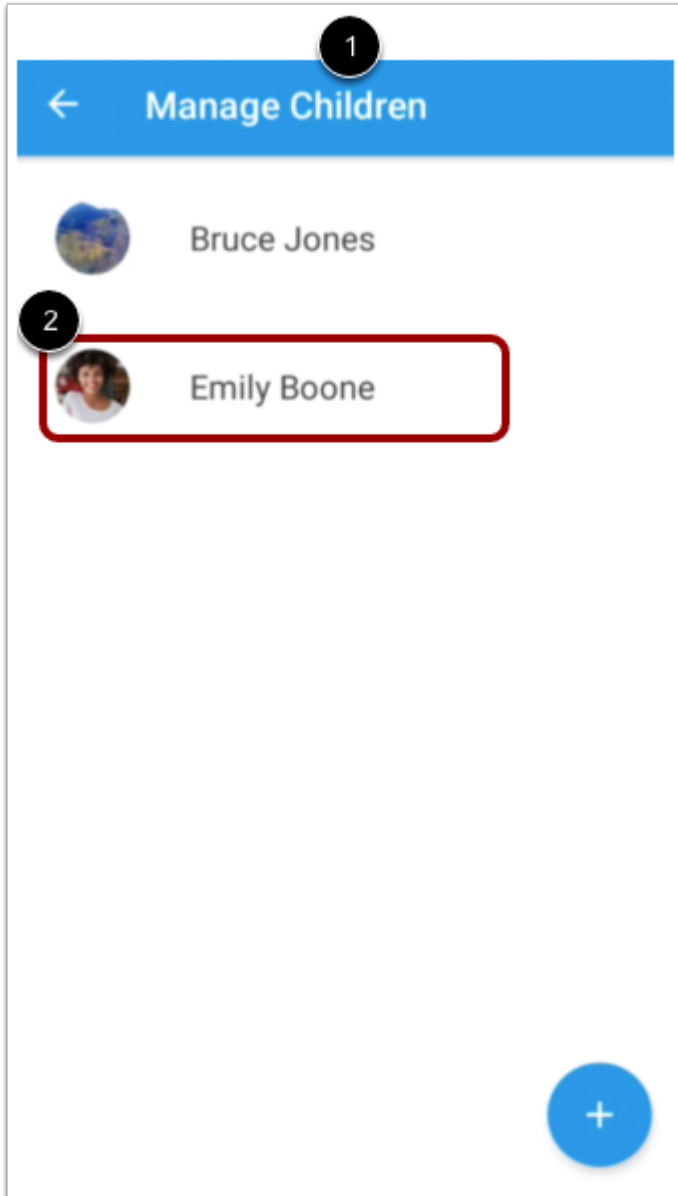

To link a student to your account, tap the **Add Student** link.

Enter Pairing Code

Type the student pairing code into the **Pairing Code** field [1]. Then click the **OK** button [2].

View Managed Students

View a list of your managed students on the Manage Children page [1]. To manage a student, tap a student's name [2].
