I. Benefits payable under this Article will be reduced by the amount of any Workmen's Compensation disability benefits or dependency allowance payable or received.

J. Absences, not to exceed three (3) days in any calendar year, may be charged against sick leave in cases of severe illness of an employee's immediate family, or other relative or significant other of the employee living in such employee's immediate household, requiring the employee's presence. The twelve (12) month entitlement period for FMLA leave is measured forward from the date an employee begins leave that qualifies under the FMLA. The single twelve (12) month period to care for Military Caregiver Leave also is measured from the first day of FMLA leave forward.

ii. During an approved leave of absence in which the circumstances would mirror a twelve (12) week FMLA period, the member continues to pay their percentage of insurance premiums, and the City of Framingham will continue to pay its percentage share. However, if the benefit to which the employee is entitled is not more than fifty percent (50%) of the then applicable cap, the total benefit shall be paid on the date of retirement; e.g. if the benefit is three thousand dollars (\$3,000.00) and the cap is six thousand dollars (\$6,000.00), the entire three thousand dollars (\$3,000.00) shall be paid on the date of retirement. Depending on the circumstances employees may be able to borrow additional personal days from the next year's allotment. The decision will be subject to the superintendent's approval. All unused personal days may be carried over into the next contract year and converted into sick days to be added to the Unit S employee's sick day accumulation. Personal days shall be prorated based upon the date of hire for new hires.

For ten (10) month employees, new employees starting on the first day of school will receive the full allotment; for twelve (12) month employees, new employees starting on July 1 will receive the full allotment. This joint labor committee should report their findings on the status of job descriptions and classifications by October 1, 2019 to Unit S employees, the Committee or their designee and union leadership with semiannual reports thereafter. Any such review will not result in a reduction in classification for any Unit S employee.

Any changes to the current evaluation system and/or job descriptions shall be ratified by the parties and attached to the collective bargaining agreement. This paragraph will sunset on June 30, 2021.

ARTICLE 23 **REDUCTION IN FORCE**

The Committee shall agree not to initiate any involuntary transfers for bargaining Unit S employees thirty (30) days prior to a reduction in force, barring any unforeseen budgeting changes and six (6) months after the completion of the reduction of force process. In cases in which the above factor is determined to be equal, the employees whose length of continuous permanent service is the longest shall be retained.

RIF PROCEDURE

1. If a position (or positions) is eliminated because of school closings or position consolidation, and an opening exists in an equal or lower classification, the affected employee will be transferred to the open position. If more openings exist than there are employees

whose positions are eliminated, the affected employees will be transferred to the positions that become open earliest. The remaining openings will be posted in the usual manner.

2. If a position (or positions) is eliminated because of school closing or position consolidation, and no opening(s) exists, the affected employee(s) will displace the least senior employee(s) in the same classification, provided the affected employee has the greater seniority and possesses the qualifications necessary to perform the duties of that position.

3. If an employee whose position is eliminated because of school closing or position consolidation does not have sufficient seniority to displace another employee in accordance with paragraph 2 above, and no opening exists in an equal or lower classification, or if an employee is displaced by another more senior employee and no opening exists in an equal or lower classification, they will displace the least senior employee of those occupying equal or lower classification provided their seniority permits and provided they possesses the qualifications necessary to perform the duties of that position.

- C. An employee who chooses not to exercise their displacement rights will be treated as a laid off employee and the recall provisions of this contract will

apply.

- D. If an employee, during a Reduction in Force period, applies for an equal position, or displaces another employee in an equal position, they will be required to remain in that position for the remainder of the school year or for six (6) months, whichever is the later.
 - 1. This paragraph D shall not prohibit an employee who was laid off and recalled to a different position from applying for a vacant position.
 - 2. This paragraph D shall not prohibit an employee who took a cut in gross salary rather than be laid off from applying for a vacancy that would restore them to the salary level they held immediately prior to the cut in earnings.
- E. For the purpose of this Article, seniority shall commence on the effective date an employee was first appointed to a position covered under the Administrative Support Association contract provided they have served without a break in service since that date.

5. An employee, upon being notified that they are affected by Reduction in Force, or bumped, and upon being informed of her rights and options under this Article, shall have seventy-two hours (3 days) in which to make a decision and notify the Office of Human Resources of that decision. If they do not inform the Office of Human Resources within the three (3) days, it will constitute a decision to be laid off rather than displace a junior employee, or accept a transfer to an open position. Once having informed the Office of Human Resources of their decision, a change in decision will constitute a resignation.

- A. If there are five (5) or more individuals affected by Reduction in Force (their positions eliminated or displaced by a more senior employee) the Association and School Administration will meet to discuss and develop alternative time limits and timing.
- B. Vacancies created by resignations tendered in writing after June 20 will be posted as vacancies.

Should the need for a specific language service not be met through the process above, the employee on the recall list able to meet the specific language need, with the most seniority, shall be recalled to fill the position.

RECALL PROCEDURE

1. When a vacancy occurs the most senior employee who in the last two (2) years was laid off from that classification or category (see Paragraph 4 RIF Procedure) or displaced from that classification or category will be recalled or given the opportunity to return to it. A laid off employee who refused to accept such position will be considered as having resigned and will be removed from the recall list, unless refusal is for verified medical reasons. An active employee who declines the opportunity to return to a former category shall lose all future rights to return to that classification or category under this Paragraph 1.

During their recall period, an employee shall be notified by certified mail, addressed to their last address of record, of the Superintendent's intent to recall the employee. If the employee has been laid off from a benefit paying position, they shall have the right to refuse a recall to a non-benefit paying position without forfeiting their recall rights. In addition, an employee laid off from a benefit paying position that accepts a non-benefit paying position shall retain their recall rights to a benefit paying position.

2. If a vacancy(ies) exists after following the procedure described in the two paragraphs immediately preceding, all employees on layoff and recall shall be notified of the vacancy.

A. Those interested must apply in writing within a fourteen (14) calendar day period from the date of the notifications postmark. Those interested must apply in writing within a fourteen (14) calendar day period from the date of the notifications postmark.

4. Individuals on the recall list who refuse a job offer will be dropped from the list except for verified medical reasons. Medical reasons do not extend beyond the recall period or the provisions of paragraph one above.

5. Recalled employees shall be credited with all previously earned unused sick leave and seniority. Any employee recalled will be considered as having been on paid leave of absence.

6. A recalled employee who had worked ninety (90) continuous days in the year beginning January 1 preceding their layoff and who returns to work in that same calendar year will receive a step increase on the January 1st immediately following return to work. However, if such recalled employee returns to work in a subsequent calendar year before October 1st, they will receive a step increase upon return to work, if otherwise eligible.

ARTICLE 39
HYBRID SCHEDULE

The following is only available to Twelve (12) Month Unit S employees. Unit S employees who work in Central Office can request to work in a hybrid format on the following basis:

A. When school is in session, all twelve (12) month Unit S employees who work in Central Office can work up to one (1) day a week remotely and when school is not in session. All twelve (12) month Unit S employees who work in Central Office can work remotely up to three (3) days per week.

B. School based twelve (12) month Unit S employees can only work remotely up to three (3) days per week when schools are not in session. These employees are not eligible for this benefit when school is in session.

The request to avail themselves of this benefit must be made to their direct supervisor and to the Assistant Superintendent for Human Resources. Upon approval, the Unit S employee whose current position can be done from home or satellite office will work out a schedule with their supervisor to allow for a hybrid work schedule in accordance with the above. Unit S employees will work collaboratively with their supervisor to staff the office. Those employees who choose hybrid during the time period noted will require a formal, set schedule.

Any hybrid arrangement may be discontinued at any time at the request of either the Unit S employee or Framingham Public Schools. The employee will be provided with at least ten (10) days of notice of such change, and such a change must be pre approved by the Office of Human Resources. Before any hybrid arrangement is discontinued by the Committee, the Association, the Unit S employee and Human Resources shall meet to discuss any concerns.

An employee's compensation, benefits, work status, and work responsibilities will not change due to participation in the hybrid program. Hybrid employees must comply with all organizational rules, policies, and procedures. Failure to do so will result in the termination of the hybrid arrangement.

Eligibility

Before entering into any hybrid work schedule, the employee and supervisor, with the assistance of the Office of Human Resources, will evaluate the following areas:

A. *Equipment needs, workspace design considerations and scheduling issues.* The employee and supervisor will review the physical workspace needs and the location for the telework. Note that the District cannot accommodate home needs beyond those provided below. As such, if needed, the District can relocate the employee to a different location in the District during the time period noted above to accommodate the employee's needs if the employee requests a need for such location.

B. *Tax and other legal implications.* The employee must determine any tax or legal implications under IRS, state and local government laws, and/or restrictions of working out of a home-based office. Responsibility for fulfilling all obligations in this area rests solely with the employee.

Requests by Unit S employees shall not be unreasonably denied.

Equipment

Any employee approved for hybrid work will be required to utilize their currently available equipment. That means the employee may take their currently District-provided laptop, screen(s), and/or phone to their alternative location.

While the employee may purchase or acquire additional equipment, Framingham Public Schools will not compensate the employee for such equipment nor will it accept any responsibility for damage or repairs to such equipment. All District-provided equipment must be brought back to Framingham Public Schools at the conclusion of the hybrid schedule. Equipment supplied by the district is to be used for business purposes only. The telecommuter must sign an inventory of all Framingham Public Schools property received and agree to take appropriate action to protect the items from damage or theft. Upon termination of employment, all Framingham Public Schools property will be returned to the District, unless other arrangements have been made.

Office supplies will be provided by Framingham Public Schools and should be obtained during the hybrid workers in-office work period. Out-of-pocket expenses for supplies normally available in the office will not be reimbursed. Hybrid workers are responsible for all supplies, equipment, and/or materials provided by Framingham Public Schools. All items remain property of Framingham Public Schools and may not be used for personal or other than Framingham Public Schools use. Framingham Public Schools will not reimburse employees for other business-related expenses, such as long-distance phone calls, shipping costs, etc.; the employee must make arrangements to complete these tasks when present on Framingham Public Schools grounds. In the event of equipment damage or malfunction, the employee must notify their supervisor immediately. If needed, the employee may be asked to report to a suitable Framingham Public Schools location until the equipment is usable. Employees must take appropriate action to protect company-provided equipment from damage or theft. Framingham Public Schools equipment must be returned to Framingham Public Schools when an employee terminates or discontinues the hybrid arrangement. Employees may use their own equipment (e.g., fax machine, printer, photocopier) provided that no cost is incurred by Framingham Public Schools. Repair and maintenance of employee-owned equipment is the responsibility of the employee.

Time Worked, Schedules and Hours

Employees must be available by phone or email during scheduled hours, with the exception of their scheduled lunch period and breaks. Employees are required to have voicemail services to ensure availability. Employees are required to modify their Framingham Public Schools voicemail announcement to indicate that they may be reached at an alternate number or that the employee will be regularly checking messages. Supervisors may establish that employees are required to check for messages within a certain period (e.g., at least once every two hours). Employees must keep their supervisors notified of any changes to their home/remote contact information.

Hybrid hours should be the same as office work hours; any changes must be established by the employee and approved by their supervisor and the Office of Human Resources. The amount of time the employee is expected to work per day or per pay period

will not change due to participation in a hybrid work schedule. Overtime hours must be pre-approved in writing by the supervisor. Framingham Public Schools policy will be followed for all absences. Employees are responsible for keeping and submitting accurate records of their work hours.

Travel time to and from an Framingham Public Schools location will not count towards time worked. Employees are required to account for all time worked in accordance with Framingham Public School's current timekeeping policies. It is the Employee's responsibility to submit an accurate accounting of hours worked in a timely manner.

The employees of each department will develop a schedule to address in person office attendance on an equitable rotating basis, to complete specific tasks that cannot be performed elsewhere.

Employees who are working a hybrid schedule are not exempt from the overtime requirements of the Fair Labor Standards Act and will be required to accurately record all hours worked using Framingham Public School's time-keeping system. Hours worked in excess of those scheduled per day and per workweek require the advance approval of the employee's supervisor. Failure to comply with this requirement may result in the immediate termination of the hybrid schedule.

Upon the mutual agreement of the ten (10) or twelve (12) month school-based employee and the supervisor and in the event of an employee or building need, a school-based employee may work an alternative schedule provided that the office is covered during the work day.

ARTICLE 40 **SAFETY**

Unit members will immediately report to the Superintendent in writing all cases of abusive conduct and/or torts suffered by them in connection with their employment.

This report will be forwarded to the Committee which will comply with any reasonable request from the employee for information in its possession relating to the incident or the person involved and will act in appropriate ways as the liaison between the employee, the police, and the courts. In addition, any student involved in such an assault will be promptly and properly disciplined after the responsibility has been established. The Superintendent will maintain a register of all reports submitted under Section A, as well as any identified action steps, which shall be made available to the President of the Association.
