## NEWS:

On Monday, students were off for Memorial Day. On Wednesday, the NYS 8th grade Science Practical Exam was held. On Thursday, 11th grade students took the U.S. History exam; one of five required for graduation. The importance of this exam led us to have a remote learning instruction day. On Thursday evening, the Performing Arts Awards Ceremony was held. School ends on June 13th. The next two weeks are critical for student attendance. We have many final exams, and teachers have year-end events planned.
