Attendance Fact: Both excused and unexcused absences negatively affect academic performance. The best way to make sure children excel, is to make sure they attend all day, every day.

NEWS:

Last week, students in grades 7-12 performed in the Winter Concert, led by Ms. Detweiler and Ms. McQuaid. On Wednesday, the Capital Project referendum passed!

Please continue to check the website for updates on the next steps. Progress reports were posted to the portal on Thursday. During FLEX, Ms. Heuer and I met with students who have more than seven absences to discuss buybacks and make a plan. Ms. O'Connor-Sadler's class presented their art and food project, which was judged by faculty, students and parent guests. We hope that everyone enjoys the Winter Recess, and we will see you back in the New Year!
