Attendance Fact:

Families can support students arriving on time to school by reducing screen time at night. Getting enough sleep will help your child succeed.

NEWS:

We returned from break this week. The five week progress reporting period for the second quarter closes today. Students have been shaking it up in paleontology, practicing things like dry-sieving, screen washing, excavation, and trenching and jacking!

Tonight, please come and see the Staff and Faculty compete against each other in Volleyball! In less than a month, the Drama Club will be performing The Addams Family, and the Class of 2029 will be selling dinner during the performance.
