- 5/2 In-House Reptile Field Trip
- 5/7 AP Seminar Exam
- 5/8 AP Lit Exam

### Attendance Fact:

Any absence, whether excused or not, denies students the opportunity to learn in accordance with the school's instructional program.

## NEWS:

At the recent art show in Catskill at the Create Gallery, Germantown students participated by having art on display. On Monday, we had a seminar from Laughing Together for students in grades 7-12. Students in earth science practiced measuring relative humidity in class using sling psychrometers! Ms. Lincoln, our school social worker, began teaching yoga to students during FLEX on Wednesdays and Fridays. On Tuesdays, she is offering a support group to students facing changes in their family dynamics. The Pops Concert was last night; congratulations to all of our students who participated.

Rugby is one of the fastest growing sports in the US, especially in college, and flag-rugby was a hit among students during the wellness day in the fall. Starting next week, high school students will be invited to play pickup games once a week during Flex with Mr. Montgomery, who coaches at Bard College and would love to help future players network with college coaches throughout the Tri-State area. Finally, report cards for quarter three are now posted on Parent and Student Portals, and were mailed home today.
