Did you know?

Preparation for the SAT exam has historically raised a student's test score.

The SAT is aligned with the goals of the Common Core curriculum

The format of the New SAT exam is dramatically different from classroom and state exams. It suggests a different strategic approach to maximize scoring

Capital District Consulting's SAT Prep offers overall test strategy, math and English review. We utilize neurologically based, well researched concentration and stress reduction techniques that you won't find anywhere else

September 13, 15, 20, 22, 27 and 29
