

Attention Teachers & Guidance Counselors, 2021 Scholarships Announced!

Over \$50,000 will be awarded in scholarships in 2021.

The New York Water Environment Association is a non-profit educational organization of water professionals promoting sustainable clean water quality management through science, education and training.

We offer \$50,000 in scholarships annually for students pursuing environmental degrees. Since 1998, NYWEA has awarded over \$571,000 in scholarships to 214 students.

**Scholarship application deadline is Friday, February 26, 2021, 5pm EST
Please encourage your students to apply.**

Find application plus more information
at www.nywea.org
(Additional graduate level and local chapter
scholarships are available too.)

"Engineering gives me personal satisfaction and allows me to solve environmental problems. By earning a degree in engineering and becoming a professional engineer, I can apply my knowledge and experience to finding solutions to real world problems, protecting the environment and using resources wisely."

- Sarah Nace, 2020 Nicholas J. Bartilucci Scholarship Winner
